Subject: Reminder: Deadline for ENERGY STAR Window, Door, and Skylight Display Unit Labeling April 30th

Dear ENERGY STAR Partner:

The U.S. Department of Energy (DOE) would like to remind you that the first deadline for labeling your window, door, and skylight display units with the new ENERGY STAR display unit labels is approaching.

Partners are asked to use the appropriate ENERGY STAR display unit label on all new display units distributed after April 30, 2005. The deadline for labeling existing display units is July 31, 2005.

The label templates, labeling guidelines, and additional information are available on the ENERGY STAR Web site at: <http://www.energystar.gov/windows> (click on "Partner Resources" in the right margin).

Partners may use the label vendor of their choice to print the labels. For a list of vendors known to be printing the labels, contact windows@energystar.gov.

Questions may be addressed to Stephen Bickel, D&R International, at sbickel@drintl.com or (301) 588-9387.
