

**ARRANGEMENT OF MAP SHEETS ON MERCURY**

The provisional name "Goethe" was changed to "Borealis," and the provisional name "Tir" was changed to "Tolstoj" by the International Astronomical Union in 1976 (IAU, 1977). These provisional names appeared on earlier editions of this index map and on the shaded relief map of Tolstoj (H-8) quadrangle. The number preceded by I refers to published geologic map.

**INDEX TO MARINER 10 PICTURES**  
 The mosaic used to control the positioning of the features on this map was made with the Mariner 10 pictures outlined above.
