

§218.3

Name—The first and last name of an individual or the name of an organization. An electronic username is insufficient for identification of an individual or organization.

National Forest System land—All lands, water, or interests therein administered by the Forest Service (§251.51).

Newspaper(s) of record—Those principal newspapers of general circulation annually identified in a list and published in the FEDERAL REGISTER by each Regional Forester to be used for publishing notices of projects and activities implementing land and resource management plans.

Objection—The written document filed with a Reviewing Officer by an individual or organization seeking predecisional administrative review of a proposed authorized hazardous fuel reduction project as defined in the Healthy Forests Restoration Act of 2003.

Objection period—The 30-calendar-day period following publication of the legal notice in the newspaper of record of an environmental assessment or final environmental impact statement for a proposed authorized hazardous fuel reduction project during which an objection may be filed with the Reviewing Officer.

Objection process—Those procedures established for predecisional administrative review of proposed authorized hazardous fuel reduction projects subject to the Healthy Forests Restoration Act of 2003.

Objector—An individual or organization filing an objection who submitted comments specific to the proposed authorized hazardous fuel reduction project during scoping or other opportunity for public comment as described in the Healthy Forests Restoration Act of 2003. The use of the term “objector” applies to all persons that meet eligibility requirements associated with the filed objection.

Record of Decision (ROD)—A document signed by a Responsible Official recording a decision that was preceded by preparation of an environmental impact statement (40 CFR 1505.2; FSH 1909.15, Chapter 20).

Responsible Official—The Forest Service employee who has the delegated au-

36 CFR Ch. II (7–1–08 Edition)

thority to make and implement a decision approving proposed authorized hazardous fuel reduction projects subject to this subpart.

Reviewing Officer—The USDA or Forest Service official having the delegated authority and responsibility to review an objection filed under this subpart. The Reviewing Officer is the next higher level supervisor of the Responsible Official.

§218.3 Authorized hazardous fuel reduction projects subject to the objection process.

Only authorized hazardous fuel reduction projects as defined by the Healthy Forests Restoration Act of 2003, section 101(2), occurring on National Forest System lands that have been analyzed in an environmental assessment or environmental impact statement are subject to this subpart. Authorized hazardous fuel reduction projects processed under the provisions of the HFRA are not subject to the notice, comment, and appeal provisions set forth in part 215 of this chapter.

§218.4 Legal notice of objection process for proposed authorized hazardous fuel reduction projects.

(a) The Responsible Official shall promptly mail the final environmental impact statement (FEIS) or the environmental assessment (EA) to those who have previously requested to be included on the proposed authorized hazardous fuel reduction project mailing list or are known to have submitted specific written comments related to the proposed authorized hazardous fuel reduction project during the opportunity for public comment provided during preparation of the environmental assessment or environmental impact statement.

(b) Upon completion and mailing of the FEIS or EA, legal notice of the opportunity to object to a proposed authorized hazardous fuel reduction project shall be published in the applicable newspaper of record identified in paragraph (c) of this section for each National Forest System unit. When the Chief is the Responsible Official, notice shall also be published in the FEDERAL REGISTER. The legal notice shall:

(1) Include the name of the proposed authorized hazardous fuel reduction project and a concise description of the preferred alternative, name and title of the Responsible Official, name of the Forest and/or District on which the proposed authorized hazardous fuel reduction project will occur, instructions for obtaining a copy of the FEIS or EA, and instructions on how to obtain additional information on the proposed authorized hazardous fuel reduction project.

(2) State that the proposed authorized hazardous fuel reduction project is subject to the objection process pursuant to 36 CFR part 218, subpart A, and include the following:

(i) Name and address of the Reviewing Officer with whom an objection is to be filed. The notice shall specify a street, postal, fax, and e-mail address, the acceptable format(s) for objections filed electronically, and the Reviewing Officer's office business hours for those filing hand-delivered objections.

(ii) A statement that objections will be accepted only from those who have previously submitted written comments specific to the proposed authorized hazardous fuel reduction project during scoping or other opportunity for public comment (§218.6(a)).

(iii) A statement that the publication date of the legal notice in the newspaper of record is the exclusive means for calculating the time to file an objection (§218.9(a)) and that those wishing to object should not rely upon dates or timeframe information provided by any other source. A specific date shall not be included in the legal notice.

(iv) A statement that an objection, including attachments, must be filed (regular mail, fax, e-mail, hand-delivery, express delivery, or messenger service) with the appropriate Reviewing Officer (§218.7) within 30 days of the date of publication of the legal notice for the objection process. Incorporation of documents by reference shall not be allowed.

(v) A statement describing the minimum content requirements of an objection (§218.7(b)-(c)).

(vi) A statement that the proposed authorized hazardous fuel reduction project is not subject to the notice,

comment, and appeal procedures found at part 215 of this chapter (§218.3).

(c) *Publication.* Through notice published annually in the FEDERAL REGISTER, each Regional Forester shall advise the public of the newspaper(s) of record utilized for publishing legal notice required by this subpart.

§218.5 Reviewing officer.

The Reviewing Officer determines procedures to be used for processing objections when the procedures are not specifically described in this subpart, including such procedures as needed to be compatible to the extent practicable, with the administrative review processes of other Federal agencies, for authorized hazardous fuel reduction projects proposed jointly with other agencies. Such determinations are not subject to further administrative review.

§218.6 Who may file an objection.

(a) Individuals and organizations who have submitted specific written comments related to the proposed authorized hazardous fuel reduction project during the opportunity for public comment provided during preparation of an environmental assessment or environmental impact statement for the proposed authorized hazardous fuel reduction project as characterized in section 104(g) of the HFRA may file an objection. For proposed authorized hazardous fuel reduction projects described in a draft environmental impact statement, such opportunity for public comment will be fulfilled by the comment procedures set forth in 40 CFR 1506.10. For proposed authorized hazardous fuel reduction projects described in an environmental assessment, such opportunity for public comment will be fulfilled during scoping or other public involvement opportunities as environmental assessments are not circulated for public comment in draft form.

(b) Comments received from an authorized representative(s) of an organization are considered those of the organization only. Individual members of that organization do not meet objection eligibility requirements solely on the basis of membership in an organization. A member or an individual
