§ 222.6 Compensation for permittees' interest in authorized permanent improvements.

(a) Whenever a term permit for grazing livestock on National Forest land in the 16 contiguous western States is canceled in whole or in part to devote the lands covered by the permit to another public purpose, including disposal, the permittee shall receive from the United States a reasonable com-

pensation for the adjusted value of his interest in authorized permanent improvements placed or constructed by him on the lands covered by the canceled permit. The adjusted value is to be determined by the Chief, Forest Service. Compensation received shall not exceed the fair market value of the terminated portion of the permittee's interest therein.

(b) In the event a permittee waives his grazing permit in connection with sale of his base property or permitted livestock, he is not entitled to compensation.

§ 222.7 Cooperation in management.

- (a) Cooperation with local livestock associations—(1) Authority. The Chief, Forest Service, is authorized to recognize, cooperate with, and assist local livestock associations in the management of the livestock and range resources on a single range allotment, associated groups of allotments, or other association-controlled lands on which the members' livestock are permitted to graze.
- (2) Purposes. These associations will provide the means for the members to:
- (i) Manage their permitted livestock and the range resources.
- (ii) Meet jointly with Forest officers to discuss and formulate programs for management of their livestock and the range resources.
- (iii) Express their wishes through their designated officers or committees
- (iv) Share costs for handling of livestock, construction and maintenance of range improvements or other accepted programs deemed needed for proper management of the permitted livestock and range resources.
- (v) Formulate association special rules needed to ensure proper resource management.
- (3) Requirements for recognition. The requirements for receiving recognition by the Forest Supervisor are:
