

## § 222.6

(v) Fails to pay grazing fees within established time limits.

(3) Cancel or suspend the permit if the permittee fails to pay grazing fees within established time limit.

(4) Cancel or suspend the permit if the permittee does not comply with provisions and requirements in the grazing permit or the regulations of the Secretary of Agriculture on which the permit is based.

(5) Cancel or suspend the permit if the permittee knowingly and willfully makes a false statement or representation in the grazing application or amendments thereto.

(6) Cancel or suspend the permit if the permit holder is convicted for failing to comply with Federal laws or regulations or State laws relating to protection of air, water, soil and vegetation, fish and wildlife, and other environmental values when exercising the grazing use authorized by the permit.

(7) Modify the terms and conditions of a permit to conform to current situations brought about by changes in law, regulation, executive order, development or revision of an allotment management plan, or other management needs.

(8) Modify the seasons of use, numbers, kind, and class of livestock allowed or the allotment to be used under the permit, because of resource condition, or permittee request. One year's notice will be given of such modification, except in cases of emergency.

(b) Association permits or grazing agreements may be canceled for non-compliance with title VI of the Civil Rights Act of 1964 and Department of Agriculture regulation promulgated thereunder.

## § 222.7 Cooperation in management.

(a) *Cooperation with local livestock associations*—(1) *Authority*. The Chief, Forest Service, is authorized to recognize, cooperate with, and assist local livestock associations in the management of the livestock and range resources on a single range allotment, associated groups of allotments, or other association-controlled lands on which the members' livestock are permitted to graze.

(2) *Purposes*. These associations will provide the means for the members to:

(i) Manage their permitted livestock and the range resources.

(ii) Meet jointly with Forest officers to discuss and formulate programs for management of their livestock and the range resources.

(iii) Express their wishes through their designated officers or committees.

(iv) Share costs for handling of livestock, construction and maintenance of range improvements or other accepted programs deemed needed for proper management of the permitted livestock and range resources.

(v) Formulate association special rules needed to ensure proper resource management.

(3) *Requirements for recognition*. The requirements for receiving recognition by the Forest Supervisor are:

## § 222.9

(i) The members of the association must constitute a majority of the grazing permittees on the range allotment or allotments involved.

(ii) The officers of the association must be elected by a majority of the association members or of a quorum as specified by the association's constitution and bylaws.

(iii) The officers other than the Secretary and Treasurer must be grazing permittees on the range allotment or allotments involved.

(iv) The association's activities must be governed by a constitution and bylaws acceptable to the Forest Supervisor and approved by him.

(4) *Withdrawing recognition.* The Forest Supervisor may withdraw his recognition of the association whenever:

(i) The majority of the grazing permittees request that the association be dissolved.

(ii) The association becomes inactive, and does not meet in annual or special meetings during a consecutive 2-year period.

(b) *Cooperation with national, State, and county livestock organizations.* The policies and programs of national, State, and county livestock organizations give direction to, and reflect in, the practices of their members. Good working relationships with these groups is conducive to the betterment of range management on both public and private lands. The Chief, Forest Service, will endeavor to establish and maintain close working relationships with National livestock organizations who have an interest in the administration of National Forest System lands, and direct Forest officers to work cooperatively with State and county livestock organizations having similar interests.

(c) *Interagency cooperation.* The Chief, Forest Service, will cooperate with other Federal agencies which have interest in improving range management on public and private lands.

(d) *Cooperation with others.* The Chief, Forest Service, will cooperate with other agencies, institutions, organizations, and individuals who have interest in improvement of range management on public and private lands.

## § 222.8 Cooperation in control of estray or unbranded livestock, animal diseases, noxious farm weeds, and use of pesticides.

(a) Insofar as it involves National Forest System lands and other lands under Forest Service control or the livestock which graze thereupon, the Chief, Forest Service, will cooperate with:

(1) State, county, and Federal agencies in the application and enforcement of all laws and regulations relating to livestock diseases, sanitation and noxious farm weeds.

(2) The Animal and Plant Health Inspection Service and other Federal or State agencies and institutions in surveillance of pesticides spray programs; and

(3) State cattle and sheep sanitary or brand boards in control of estray and unbranded livestock to the extent it does not conflict with the Wild Free-Roaming Horse and Burro Act of December 15, 1971.

(b) The Chief, Forest Service, will cooperate with county or other local weed control districts in analyzing noxious farm weed problems and developing control programs in areas of which the National Forests and National Grasslands are a part.

(85 Stat. 649 (16 U.S.C. 1331-1340))

## § 222.9 Range improvements.

(a) The Chief, Forest Service, is authorized to install and maintain structural and nonstructural range improvements needed to manage the range resource on National Forest System lands and other lands controlled by the Forest Service.

(b) Such improvements may be constructed or installed and maintained, or work performed by individuals, organizations or agencies other than the Forest Service subject to the following:

(1) All improvements must be authorized by cooperative agreement or memorandum of understanding, the provisions of which become a part of the grazing permit(s).

(2) Title to permanent structural range improvements shall rest in the United States.

(3) Title to temporary structural range improvements may be retained by the Cooperator where no part of the
