

§ 200.7

These fees do not apply to information that is generally and routinely made available to the public upon request, such as recreational brochures, pamphlets, maps, and technical guides as well as agency directive issuances. Separate charges for such general information are established in the agency's Directive System (§200.4). For example, some pamphlets and small segments of the Forest Service Manual and Handbook may be provided at no cost, but maps of the National Forest System and larger sections of the Manual and Handbook are available for a charge. Current charges are explained at the time the request is made.
