§ 223.144

conform with the following requirements:

- (A) At least 10 days before the factfinding conference, the suspending official shall send the respondent a copy of all documents in the administrative record as of the date of transmittal and not objected to by the Department of Justice.
- (B) At the conference, the respondent shall have the opportunity to appear with counsel, submit documentary evidence, present witnesses, and confront any person the Forest Service presents.
- (iii) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent upon request, unless the respondent and the Forest Service, by mutual agreement, waive the requirement for a transcript.
- (5) Suspending official's decision. The suspending official may modify or terminate the suspension or leave it in force for the same reasons as for terminating or reducing the period or extent of debarment (see §223.139(c)). The decision shall be made in accordance with the following provisions:
- (i) No additional proceedings necessary. In actions based on an indictment, in which the respondent's submission does not raise a genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official's decision shall be based on all the information in the administrative record, including any submissions and argument made by the respondent. The decision shall be made within 30 working days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.
- (ii) Additional proceedings necessary.

 (A) In actions in which additional proceedings are necessary as to disputed material facts, written findings of fact shall be promptly prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

- (B) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.
- (C) The suspending official's decision shall be made only after the conclusion of any proceedings with respect to disputed facts.
- (6) Notice of suspending official's decision. The purchaser and any affiliates involved shall be given prompt written notice of the suspending officer's decision to continue or not continue the suspension by certified mail, return receipt requested.

§ 223.144 Period of suspension.

- (a) Suspension shall be for a temporary period pending the completion of investigation and any ensuing legal proceedings unless sooner terminated by the suspending official or as provided in paragraph (b) of this section.
- (b) If legal proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General requests its extension, in which case it may be extended for an additional 6 months. In no event may a suspension extend beyond 18 months, unless legal proceedings have been initiated within that period.
- (c) The suspending official shall notify the Department of Justice of the proposed termination of any suspension, at least 30 days before the 12-month period expires, to give the Department an opportunity to request an extension.

§ 223.145 Scope of suspension.

The scope of suspension shall be the same as that for debarment (see §223.140), except that the procedures in §223.143 shall be used in imposing suspension.

Subpart D—Timber Export and Substitution Restrictions
