ART. I

AGREEMENT made this 30th day of June 1996, effective July 1, 1996 by and between the Members of the General Contractors Association of New York, Inc. (hereinafter "GCA"), and other Employers who are signatories to this Agreement (hereinafter "Employer"), and the District Council of Carpenters of New York City and Vicinity of The United Brotherhood of Carpenters and Joiners of America, affiliated with the AFL-CIO, Washington, D.C. (hereinafter "Union" and/or "District Council") for Timberman's Local No. 1536.

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, the parties agree as follows:

ARTICLE I

Purposes-Declaration of Principles

Section 1 - Purposes

The purposes for which this Agreement is entered into are as follows:

- (a) prevent strikes and lockouts;
- (b) facilitate peaceful adjustment of grievances and disputes between the Employer, Employee and Union;
- (c) prevent waste, unnecessary and avoidable delays, which result in unnecessary costs and expense to the Employer, and Union, and the loss of wages and fringe benefits to the Employee;
- (d) enable the Employer to secure at all times sufficient forces of skilled workmen;
- (e) provide as far as possible for the continuous employment of labor;
- (f) provide that employment hereunder shall be in accordance with conditions and at wages and fringe benefits herein agreed upon.

- (g) bring about stable conditions in the Industry;
- (h) keep costs of work in the Heavy Construction Industry as low as possible consistent with fair wages and proper working conditions, as provided for hereunder;
- (i) continue the custom and practice heretofore prevailing for many years on Heavy Construction Work of agreement as to the terms and conditions of employment, and as to the necessary procedure for amicable adjustment of all disputes or questions that may arise.

Section 2 - Declaration of Principles

Both parties to this Agreement acknowledge that this Agreement is the uniform agreement for the Heavy Construction Industry and its execution will further the interests of said Industry.

This Agreement will be interpreted under the following principles:

- (a) that there shall be no limitation as to the amount of work an Employee shall perform during his working day, it being understood that said Employee shall perform a fair and honest day's work, within the limits of safety;
- (b) that there shall be no restrictions on the use of machinery, tools or appliances, within the limits of safety. If an Employee is required to use powder actuated tools, he is to be qualified to use said powder actuated tools, by securing from the tool manufacturer, or equally responsible certifying agency agreed upon by both parties hereto, an Operator's Card or similar proof of qualification and the Union shall cooperate with the Employer and tool manufacturer in having the Employee expeditiously qualified. No powder actuated tool shall be used

- that has not been previously approved by the New York City Board of Standards and Appeals;
- (c) that there shall be no restriction on the use of any raw or manufactured materials, except prison made;
 - (d) that no person shall have the right to interfere with Employees or workmen during the working hours;
 - (e) that Employees are at liberty to work for whomsoever they see fit, and they are entitled to and shall receive the wages and fringe benefits agreed upon as hereinafter set forth in this Agreement;
 - (f) that Employers are at liberty to employ and discharge, whomsoever they see fit, providing that no person shall be discharged without good cause;
 - (g) that the GCA, the Employer and the Union agree that they have not, and will not discriminate because of race, creed, color, national origin, age, sex, disability, marital status, sexual orientation, citizenship status or union membership against any individual.

For the purpose of this Article, "citizenship status" means the citizenship of any person or the immigration status of any person lawfully residing in the United States who is not a citizen or national of the United States.

Section 3 - Completeness of Agreement

It is understood that the Purposes and Declaration of Principles, herein set forth, are a part of this Agreement and said Purposes and Principles govern all parties hereto in the performance thereof and shall be complied with as conditions of this Agreement. The parties hereto enter into

this Agreement and agree to carry out, conform and to comply with its terms and provisions as provided and set forth herein by reason of the mutual advantages of so doing and in order to effectuate and provide for the carrying out and putting into effect, during the term hereof, the Purposes and Principles of this Agreement.

Said jurisdiction shall include:

ARTICLE IV

The new committee will have authority to address, in a timely fashion, any undue hardships the collective bargaining agreement may impose on the Union, a Contractor or the Association on an issue by issue basis.

The committee may modify terms and conditions to allow the association contractors to better manage its particular project or to compete against unfair contractors on a site by site basis.

All issues the Hardship and Advisory Committee reviews will be in writing and its actions will be decided by a simple majority. All concerns brought before the committee will be reviewed periodically. Repetitious issues can be recommended for inclusion in a subsequent collective bargaining agreement.

The committee will meet, upon written request, by the Association or the Union within three work days. Such request, by fax or letter, shall state the project, location, local union, contractor, sub-contractor and brief summary of the question to be discussed.

Section 2 - No Lockout - Strike - Work Stoppage

The Employer expressly agrees that it will not lock out its Employees covered by this Agreement. The Union expressly agrees not to strike or in any other manner stop or hinder work covered by this Agreement. It is agreed that under no circumstances shall there be strikes,

lockouts, or work stoppages, both parties agreeing to settle any question or dispute that may arise from any of the parties hereto by submitting same for determination as herein provided, with the express agreement that the parties hereto will honor, obey, be bound by and carry out such decision or determination upon any question or dispute which may be submitted.

The Union will not call or sanction any strike or concerted stoppage during the term of this Agreement except for:

- (1) the Employer's refusal to submit a matter to arbitration, pursuant to the arbitration clause of this Agreement;
- (2) the Employer's failure to comply with any decision of any Board of Arbitration established hereunder within twenty (20) working days after such decision, unless appealed to a court of competent jurisdiction, which grants a stay, and,
- (3) any other reason explicitly provided for in this Agreement.

Section 3 - Procedures of Grievance - Arbitration

For the purpose of settling disputes between the parties hereto as to any claims of violation of this Agreement, or of any dispute or breach that may arise in connection therewith, or for construing the terms and provisions thereof, the following procedure is established:

- (a) Either party may advise the other of an alleged grievance, in writing, and the party alleging the grievance may call for a meeting to be held not less than 24 hours after receipt of the grievance notice, at a place designated by the party calling the grievance. The Board deciding the grievance shall consist of two (2) representatives of each party. No member of the Board may be a member of the Local Union or Employer involved in the grievance. Both parties to the

grievance shall be given full opportunity to be heard and present witnesses.

The grievance shall be resolved by majority decision. At each grievance hearing, if an impasse is reached, one of the arbitrators listed below will be chosen by random selection to hear the grievance should it reach the arbitration stage. If the grievance is not resolved within 72 hours of notification thereof, as set forth above, or if the agreement reached is not complied with by the guilty party within 24 hours after notification of the agreement, either party may proceed to arbitration immediately.

(b) Any grievance not resolved pursuant to (a) above, shall be submitted to arbitration before the following four arbitrators, who shall be chosen by random selection:

- | | |
|-------------------|---------------------------|
| 1) Herbert Habber | 2) Roger H Madon |
| 3) Joseph Doyle | 4) Johnathan S. Liebowitz |

The arbitrator shall conduct a hearing in such manner as he shall consider proper and shall serve as sole arbitrator of the dispute between the parties.

The arbitrator shall have the right to conduct an ex parte hearing in the event of the failure of either party to be present at the time and place designated for the arbitration, and shall have the power to render a decision based on the testimony before him at such hearing. The decision of the arbitrator shall be final and binding upon both parties and may be entered as a final decree or judgment in the Supreme Court of the State of New York or in a court of appropriate jurisdiction in any state where such decision shall be rendered. The

costs of arbitration, including the arbitrator's fee, shall be borne equally by the GCA and the Union. It is the intent of the parties hereto that all disputes between them, both within and outside of the Agreement, shall be submitted to arbitration, as provided herein, and that no defense to prevent the holding of the arbitration shall be permitted. Service of any document or notice referred to above, or service of any notice required by law in connection with arbitration proceedings, may be made by registered or certified mail. Service upon the Employer shall be made on the individual Employer and the GCA.

- (c) This Article is not, in any manner, meant to prohibit or restrict the Union's right to strike or withhold services upon the expiration of this Agreement or any extension hereof or under the terms and conditions set forth in Article XI, Section 5 hereof.

Section 4 - Status Quo

Until a decision shall have been rendered, neither party shall take any action of any character as to the complaint, statement or matter in question.
