- C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.
- D. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.

3. If the responsible supervisor determines that overtime is necessary on a client case or patient case already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

ARTICLE II PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees

- A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.
- B. Upon recommendation of the Human Resources Director, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.
- C. The Agency or Department Head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the Agency or Department Head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant's previous training and experience enables him or her to make a greater contribution than a less experienced employee.
- D. Upon recommendation of the Agency or Department Head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.
- E.
 - 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.
 - 2. If a recruiting step is decreased, incumbents of the class will be unaffected.
 - 3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.C. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. Merit Increase Within Range

- A. Extra help employees shall not be eligible for merit increases within range.
- B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the Agency/Department Head.
- C. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.
- D. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
- E.
 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of "meets performance objectives" shall earn a two (2) step increase.
 2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10 and if granted, in what amounts, shall be solely within the discretion of the Agency/Department Head and shall be based on merit.

- F. If, in the agency's/department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the agency/department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.
- G. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion

- A. Except as modified by B. and C. below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.
- B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.
- C. Upon recommendation of the Agency/Department Head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

- A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- C. When a regular or limited-term regular employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges, his or her salary and merit increase eligibility date shall be determined by the Human Resources Director.

Section 6. Salary on Reduction

- A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.C., above, or the employee's salary and merit increase eligibility date may be determined by the Human Resources Director.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Agency/Department Head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.
- B. When a regular or limited-term regular employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.
 - C. When a regular or limited-term regular employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.
 - D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:
 1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.
 2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

Y-RATE SCHEDULE

Years of Full Time Continuous Service	Duration of Y-Rate

Section 7. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

- A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

Section 8. Salary on Reemployment

the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

- B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

- c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.
- d. The issues in all disciplinary appeals shall be: Was (employee's name)suspended/reduced/ discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?
- e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

An arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

a. All Disciplinary Actions

If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

If the action is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Discharges

1. If the arbitrator finds that the order of discharge should be modified, the appellant shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the appellant shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the appellant received since the date of discharge.

C. Probationary Releases Alleging Discrimination

- c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

 2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
 3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. The cost of an arbitrator shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.
2. Grievance/Appeal hearings by an arbitrator shall be private.
3. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.
5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.
7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made

improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.
10. The parties agree to forego the use of briefs and transcripts whenever practicable.
11. The decision of the arbitrator shall be final and binding on all parties.
12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend to normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informed and shall be considered advisory. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.

ARTICLE XI LAYOFF PROCEDURE

Section 1. General Provisions

- A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.
- B. This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.
- C. When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.
- D. Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2. Order of Layoff

- A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their Agency/Department Head shall be laid off in an order based on consideration of:
 - 1. employment status,
 - 2. past performance,
 - 3. length of continuous service with the County.
- B. Layoffs shall be made by class within an agency/department except that:
 - 1. Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.
 - 2. Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an agency/department.

C. Within a class, employees shall be subject to layoff in the following order:

<u>Employment Status</u>	<u>Layoff Order</u>
First - Temporary Promotion Agency/Department	Determined by Agency/Department
Second - New Probationary	Determined by Agency/Department
Third - Regular/Promotional	Layoff Points Probationary

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the agency/department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of "does not meet performance objectives" on the last "Performance Evaluation Report," for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

- A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.
- B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.
- C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

- A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

- B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their agency/department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their agency/department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their agency/department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
3. Failure by an employee to respond to his or her agency/department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.
4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

- A. The following persons shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall be placed on an AGENCY/ DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. Persons Who Voluntarily Reduced Under the Provisions of Section 6.

The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

- B. The names of persons laid off shall be placed on a COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/ department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/ department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower-ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments

need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

- C. Names of persons placed on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:
 - 1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.
 - 2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.
- D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/ department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.
- E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

- Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her Agency/Department Head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.
- Step 2: Appropriate agency/department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

- B. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

Section 4. Limitations on Concurrent Studies

- A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

- B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

- C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.

Section 5. Review of Disputed Position Classification Decisions

If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article, or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.
- B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.
- C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.
