

## §2.103

## 40 CFR Ch. I (7-1-04 Edition)

request will be considered received as of the date it is received by the correct FOI Office. Misdirected requests will not be considered received by EPA until the appropriate FOI Office receives the request. For proper handling, you should mark both your request letter and its envelope or e-mail subject line "Freedom of Information Act Request." You should also include your name, mailing address, and daytime telephone number in the event we need to contact you.

(b) EPA employees may attempt in good faith to comply with oral requests for inspection or disclosure of EPA records publicly available under §2.201(a)-(b), but such requests are not subject to the FOIA or the regulations in this part.

(c) *Description of records sought.* Your request should reasonably describe the records you are seeking in a way that will permit EPA employees to identify and locate them. Whenever possible, your request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter. If known, you should include any file designations or descriptions for the records that you want. The more specific you are about the records or type of records that you want, the more likely EPA will be able to identify and locate records responsive to your request. If EPA determines that your request does not reasonably describe the records, it will tell you either what additional information you need to provide or why your request is otherwise insufficient. EPA will also give you an opportunity to discuss and modify your request to meet the requirements of this section. Should it be necessary for you to provide a revised description of the records you are seeking, the time necessary to do so will be excluded from the statutory 20 working day period (or any authorized extension of time) that EPA has to respond to your request as discussed in §2.104.

(d) *Agreement to pay fees.* If you make a FOIA request, EPA will consider your request to be an agreement that you will pay all applicable fees charged under §2.107, up to \$25.00, unless you seek a waiver of fees. The EPA office responsible for responding to your re-

quest ordinarily will confirm this agreement in writing. When making a request, you may specify a willingness to pay a greater or lesser amount. Should it be necessary for you to provide a written agreement to pay additional fees, the time necessary to do so will be excluded from the statutory 20 working day period (or any authorized extension of time).

### §2.103 Responsibility for responding to requests.

(a) *In general.* Except as stated in paragraphs (c), (d), (e), and (f) of this section, the EPA office that has possession of that record is the office responsible for responding to you. In determining which records are within the scope of a request, an office will ordinarily include only those records in its possession as of the date the request was received in the Headquarters or Regional FOI Office. If any other date is used, the office will inform you of that date.

(b) *Authority to grant or deny requests.* The head of an office, or that individual's designee, is authorized to grant or deny any request for a record of that office or other Agency records when appropriate.

(c) *Authority to grant or deny fee waivers or requests for expedited treatment.* The head of the Headquarters FOI Office and Regional FOI Officers, or their designees, are authorized to grant or deny fee waivers or requests for expedited treatment.

(d) *Consultations and referrals.* When a request to EPA seeks records in its possession that originated with another Federal agency, the EPA office receiving the request shall either:

(1) Consult with the Federal agency where the record or portion thereof originated and then respond to your request, or

(2) Direct the FOI Office to refer your request to the Federal agency where the record or portion thereof originated. Whenever all or any part of the responsibility for responding to a request has been referred to another agency, the FOI Office will notify you accordingly.

(e) *Law enforcement information.* Whenever a request is made for a

## Environmental Protection Agency

## §2.104

record containing information that relates to an investigation of a possible violation of law and was originated by another agency, the receiving office will either direct the FOI Office to refer the request to that other agency or consult with that other agency prior to making any release determination.

### §2.104 Responses to requests and appeals.

(a) Unless the Agency and the requester have agreed otherwise, or when unusual circumstances exist as provided in paragraph (e) of this section, EPA offices will respond to requests no later than 20 working days from the date the request is received and logged in by the appropriate FOI Office. EPA will ordinarily respond to requests in the order in which they were received. If EPA fails to respond to your request within the 20 working day period, or any authorized extension of time, you may seek judicial review to obtain the records without first making an administrative appeal.

(b) On receipt of a request, the FOI Office ordinarily will send a written acknowledgment advising you of the date it was received and of the processing number assigned to the request for future reference.

(c) *Multitrack processing.* The Agency uses three or more processing tracks by distinguishing between simple and complex requests based on the amount of work and/or time needed to process the request, including limits based on the number of pages involved. The Agency will advise you of the processing track in which your request has been placed and of the limits of the different processing tracks. The Agency may place your request in its slower track(s) while providing you the opportunity to limit the scope of your request in order to qualify for faster processing within the specified limits of the faster track(s). If your request is placed in a slower track, the Agency will contact you either by telephone or by letter, whichever is most efficient in each case.

(d) *Unusual circumstances.* When the statutory time limits for processing a request cannot be met because of "unusual circumstances," as defined in the FOIA, and the time limits are extended

on that basis, you will be notified in writing, as soon as practicable, of the unusual circumstances and of the date by which processing of the request should be completed. When the extension is for more than 10 working days, the Agency will provide you with an opportunity either to modify the request so that it may be processed within the 10 working day time limit extension or to arrange an alternative time period for processing the original or modified request.

(e) *Expedited processing.* (1) Requests or appeals will be taken out of order and given expedited treatment whenever EPA determines that such requests or appeals involve a compelling need, as follows:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) An urgency to inform the public about an actual or alleged Federal government activity, if the information is requested by a person primarily engaged in disseminating information to the public.

(2) A request for expedited processing must be made at the time of the initial request for records or at the time of appeal.

(3) If you are seeking expedited processing, you must submit a statement, certified to be true and correct to the best of your knowledge and belief, explaining in detail the basis for the request. For example, if you fit within the category described in paragraph (e)(1)(ii) of this section and are not a full-time member of the news media, you must establish that you are a person whose primary professional activity or occupation is information dissemination, although it need not be your sole occupation. If you fit within the category described in paragraph (e)(1)(ii) of this section, you must also establish a particular urgency to inform the public about the government activity involved in the request, beyond the public's right to know about government activity generally.

(4) Within 10 calendar days from the date of your request for expedited processing, the head of the Headquarters FOI Staff or Regional FOI Officer will
