works pursuant to 40 CFR part 35, subpart E or I.

§ 6.502 Applicability and limitations.

(a) *Applicability.* This subpart applies to the following actions:

(1) Approval of a facilities plan or an amendment to the plan;

(2) Award of grant assistance for a project where significant change has occurred in the project or its impact since prior compliance with this part; and

(3) Approval of preliminary Step 3 work prior to the award of grant assistance pursuant to 40 CFR part 35, subpart E or I.

(b) *Limitations.* (1) Except as provided in § 6.504(c), all recipients of Step 1 grant assistance must comply with the requirements, steps, and procedures described in this subpart.

(2) As specified in 40 CFR 35.2113, projects that have not received Step 1 grant assistance must comply with the requirements of this subpart prior to submission of an application for Step 3 or Step 2+3 grant assistance.

(3) Except as otherwise provided in § 6.507, no step 3 or 2+3 grant assistance may be awarded for the construction of any component/portion of a proposed wastewater treatment system(s) until the responsible official has:

(i) Completed the environmental review for all complete wastewater treatment system alternatives under consideration for the facilities planning area, or any larger study area identified for the purposes of conducting an adequate environmental review as required under this subpart; and

(ii) Recorded the selection of the preferred alternative(s) in the appropriate decision document (ROD for EISs, FNSI for environmental assessments, or written determination for categorical exclusions).

(4) In accord with § 6.302(f), on or after October 18, 1982, no new expenditures or financial assistance involving the construction grants program can be made within the Coastal Barrier Resource System, or for projects outside the system which would have the effect of encouraging development in the system, other than specified exceptions

§ 6.503 Overview of the environmental review process.

The process for conducting an environmental review of wastewater treatment construction grant projects includes the following steps:

(a) *Consultation.* The Step 1 grantee or the potential Step 3 or Step 2+3 applicant is encouraged to consult with the State and EPA early in project formulation or the facilities planning stage to determine whether a project is eligible for a categorical exclusion from the remaining substantive environmental review requirements of this part (§ 6.505), to determine alternatives to the proposed project for evaluation, to identify potential environmental issues and opportunities for public recreation and open space, and to determine the potential need for partitioning the environmental review process and/or the need for an Environmental Impact Statement (EIS).

(b) *Determining categorical exclusion eligibility.* At the request of a potential Step 3 or Step 2+3 grant applicant, or a Step 1 facilities planning grantee, the responsible official will determine if a project is eligible for a categorical exclusion in accordance with § 6.505. A Step 1 facilities planning grantee awarded a Step 1 grant on or before December 29, 1981 may request a categorical exclusion at any time during Step 1 facilities planning. A potential Step 3 or Step 2+3 grant applicant may request a categorical exclusion at any time before the submission of a Step 3 or Step 2+3 grant application.

(c) *Documenting environmental information.* If the project is determined to be ineligible for a categorical exclusion, or if no request for a categorical exclusion is made, the potential Step 3 or Step 2+3 applicant or the Step 1 grantee subsequently prepares an Environmental Information Document (EID) (§ 6.506) for the project.

(d) *Preparing environmental assessments.* Except as provided in § 6.506(c)(4) and following a review of the EID by
