

Subpart H—Environmental Review Procedures for Solid Waste Demonstration Projects

§ 6.800 Purpose.

This subpart amplifies the procedures described in subparts A through D by providing more specific environmental review procedures for demonstration projects undertaken by the Office of Solid Waste and Emergency Response.

[44 FR 64177, Nov. 6, 1979, as amended at 51 FR 32613, Sept. 12, 1986]

§ 6.801 Applicability.

The requirements of this subpart apply to solid waste demonstration projects for resource recovery systems and improved solid waste disposal facilities undertaken pursuant to section 8006 of the Resource Conservation and Recovery Act of 1976.

§ 6.802 Criteria for preparing EISs.

The responsible official shall assure that an EIS will be prepared when it is determined that any of the conditions in § 6.108 exist.

[44 FR 64177, Nov. 6, 1979, as amended at 50 FR 26323, June 25, 1985]

§ 6.803 Environmental review process.

(a) *Environmental information.* (1) Environmental information documents shall be submitted to EPA by grant applicants or contractors. If there is a question concerning the need for a document, the potential contractor or grantee should consult with the appropriate project officer for the grant or contract.

(2) The environmental information document shall contain the same sections specified for EIS's in subpart B. Guidance alerting potential grantees and contractors of the environmental information documents shall be included in all grant application kits, attached to letters concerning the submission of unsolicited proposals, and included with all requests for proposal.

(b) *Environmental review.* An environmental review will be conducted before a grant or contract award is made. This review will include the preparation of an environmental assessment by the responsible official; the appropriate Regional Administrator's input

will include his recommendations on the need for an EIS.

(c) *Notice of intent and EIS.* Based on the environmental review if the criteria in § 6.802 of this part apply, the responsible official will assure that a notice of intent and a draft EIS are prepared. The responsible official may request the appropriate Regional Administrator to assist him in the preparation and distribution of the environmental documents.

(d) *Finding of no significant impact.* If the environmental review indicated no significant environmental impacts, the responsible official will assure that a FNSI is prepared which lists any mitigation measures necessary to make the recommended alternative environmentally acceptable.

(e) *Timing of action.* Pursuant to § 6.401(b), in no case shall a contract or grant be awarded until the prescribed 30-day review period for a final EIS has elapsed. Similarly, no action shall be taken until the 30-day comment period for a FNSI is completed.

§ 6.804 Record of decision.

The responsible official shall prepare a record of decision in any case where final EIS has been issued in accordance with 40 CFR 1505.2. It shall be prepared at the time of contract or grant award. The record of decision shall list any mitigation measures necessary to make the recommended alternative environmentally acceptable.

Subpart I—Environmental Review Procedures for EPA Facility Support Activities

§ 6.900 Purpose.

This subpart amplifies the general requirements described in subparts A through D by providing environmental procedures for the preparation of EISs on construction and renovation of special purpose facilities.

§ 6.901 Definitions.

(a) The term *special purpose facility* means a building or space, including land incidental to its use, which is wholly or predominantly utilized for the special purpose of an agency and not generally suitable for other uses,
