#### § 52.219 Identification of plan—conditional approval.

The plan revision commitments listed in paragraph (a) of this section were submitted on the date specified.

The State submittal contained an interim milestone to supply more accurate emission reduction data demonstrating equivalence no later than one year after the publication date of the FEDERAL REGISTER notice approving the State's committal SIP revision. California is required to submit the final SIP revision by May 15, 1994. The State held a
