the Administrator. Total sales of vehicles subject to this subpart will be limited to less than 10,000 units."

- (2) If, after a review of the statement the Administrator determines that the requirements of this subpart have been met, he will issue a certificate of conformity with respect to the described vehicles except in cases covered by §86.442.
- (3) Such certificate will be issued for such a period not to exceed one model year as the Administrator may determine and upon such terms as he may deem necessary to assure that any new motorcycle covered by the certificate will meet the requirements of the Act and of this subpart.
- (4) The certificate will cover all vehicles described by the manufacturer.
- (5)(i) If, after a review of the statements and descriptions submitted by the manufacturer, the Administrator determines that the applicable requirements have not been met, he will notify the manufacturer in writing, setting forth the basis for his determination. The manufacturer may request a hearing on the Administrator's determination.
- (ii) If the manufacturer does not request a hearing or present the required information the Administrator will deny certification.

\$86.438-78 Amendments to the application.

- (a) The manufacturer shall inform the Administrator by way of amendment to the application of any proposed changes to vehicles in production or additional vehicles to be produced. The Administrator will, if appropriate, select a new test vehicle. Except as provided in §86.439, no changes may be instituted until approved by the Administrator.
- (b) The Administrator may allow reduced testing.

§ 86.439-78 Alternative procedure for notification of additions and changes.

(a)(1) A manufacturer may, in lieu of notifying the Administrator in advance of an addition of a vehicle or a change

- in a vehicle under §86.438–78, notify the Administrator concurrently with the addition of a vehicle or the making of a change in a vehicle if the manufacturer determines that following the change all vehicles affected by the addition or change will still meet the applicable emission standards.
- (2) Such notification shall include a full description of the addition or change and any supporting documentation the manufacturer may include to support the manufacturer's determination that the addition or change does not cause noncompliance.
- (3) The manufacturer's determination that the addition or change does not cause noncompliance shall be based on an engineering evaluation of the addition or change and/or testing.

(b) [Reserved]

- (c)(1) The Administrator may require that additional emission testing be performed to support the manufacturer's original determination submitted in accordance with paragraph (a) of this section.
- (2) If additional testing is required, the Administrator shall proceed as in §86.438-78.
- (3) Additional test data, if requested, must be provided within 30 days of the request or the manufacturer must rescind the addition or change immediately.
- (4) The Administrator may grant additional time to complete testing.
- (5) If based on this additional testing or any other information, the Administrator determines that the vehicles affected by the addition or change do not meet the applicable standards, the Administrator will notify the manufacturer to rescind the addition or change immediately upon receipt of the notification.
- (d) Election to produce vehicles under this section will be deemed to be a consent to recall all vehicles which the Administrator determines under \$86.438-78 do not meet applicable standards, and to cause such nonconformity to be remedied at no expense to the owner.
