## Division of Federal Employees' Compensation

# BASIC Injury Compensation Specialist (ICS) Workshop

This classroom training lasts 3 days and is designed to give a broader range of information that will enable employing agencies to follow proper procedures and control compensation costs. It provides more information on the topics covered in the selfinstructional course and also covers third-party liability, permanent partial disability, leave reinstatement, job offers, rehabilitation, loss of wage earning capacity, medical reports, record keeping and documentation, and death claims. The workshop allows ICS' from different employing agencies to interact, which is an important benefit.

To Register—Please complete the Registration Form attached and fax it to (415) 625-7450.

Enrollment confirmations will be provided 4-weeks before the workshop. If you do not receive a confirmation and it is LESS than 4-weeks before October 28, 2008, please call (415) 625-7449.
