

should be attributed to separate conditions for which compensation is payable in connection with a single FECA claim. If such an attribution is both practicable and equitable, as determined by OWCP or SOL, in its discretion, the conditions will be treated as separate injuries for purposes of calculating the refund and credit owed to the United States under section 8132.

FEDERAL GRAND AND PETIT JURORS

§ 10.725 When is a Federal grand or petit juror covered under the FECA?

(a) Federal grand and petit jurors are covered under the FECA when they are in performance of duty as a juror, which includes that time when a juror is:

- (1) In attendance at court pursuant to a summons;
- (2) In deliberation;
- (3) Sequestered by order of a judge; or
- (4) At a site, by order of the court, for the taking of a view.

(b) A juror is not considered to be in the performance of duty while traveling to or from home in connection with the activities enumerated in paragraphs (a) (1) through (4) of this section.

§ 10.726 When does a juror's entitlement to disability compensation begin?

Pursuant to 28 U.S.C. 1877, entitlement to disability compensation does not commence until the day after the date of termination of service as a juror.

§ 10.727 What is the pay rate of jurors for compensation purposes?

For the purpose of computing compensation payable for disability or death, a juror is deemed to receive pay at the minimum rate for Grade GS-2 of the General Schedule unless his or her actual pay as an "employee" of the United States while serving on court leave is higher, in which case the pay rate for compensation purposes is determined in accordance with 5 U.S.C. 8114.

PEACE CORPS VOLUNTEERS

§ 10.730 What are the conditions of coverage for Peace Corps volunteers and volunteer leaders injured while serving outside the United States?

(a) Any injury sustained by a volunteer or volunteer leader while he or she is located abroad shall be presumed to have been sustained in the performance of duty, and any illness contracted during such time shall be presumed to be proximately caused by the employment. However, this presumption will be rebutted by evidence that:

- (1) The injury or illness was caused by the claimant's willful misconduct, intent to bring about the injury or death of self or another, or was proximately caused by the intoxication by alcohol or illegal drugs of the injured claimant; or
- (2) The illness is shown to have pre-existed the period of service abroad; or
- (3) The injury or illness claimed is a manifestation of symptoms of, or consequent to, a pre-existing congenital defect or abnormality.

(b) If the presumption that an injury or illness was sustained in the performance of duty is rebutted as provided by paragraph (a) of this section, the claimant has the burden of proving by the submittal of substantial and probative evidence that such injury or illness was sustained in the performance of duty with the Peace Corps.

(c) If an injury or illness, or episode thereof, comes within one of the exceptions described in paragraph (a) (2) or (3) of this section, the claimant may nonetheless be entitled to compensation. This will be so provided he or she meets the burden of proving by the submittal of substantial, probative and rationalized medical evidence that the illness or injury was proximately caused by factors or conditions of Peace Corps service, or that it was materially aggravated, accelerated or precipitated by factors of Peace Corps service.

§ 10.731 What is the pay rate of Peace Corps volunteers and volunteer leaders for compensation purposes?

The pay rate for these claimants is defined as the pay rate in effect on the date following separation, provided

§ 10.735

that the rate equals or exceeds the pay rate on the date of injury. It is defined in accordance with 5 U.S.C. 8142(a), not 8101(4).

NON-FEDERAL LAW ENFORCEMENT OFFICERS

§ 10.735 When is a non-Federal law enforcement officer (LEO) covered under the FECA?

(a) A law enforcement officer (officer) includes an employee of a State or local Government, the Governments of U.S. possessions and territories, or an employee of the United States pensioned or pensionable under sections 521-535 of Title 4, D.C. Code, whose functions include the activities listed in 5 U.S.C. 8191.

(b) Benefits are available to officers who are not “employees” under 5 U.S.C. 8101, and who are determined in the discretion of OWCP to have been engaged in the activities listed in 5 U.S.C. 8191 with respect to the enforcement of crimes against the United States. Individuals who only perform administrative functions in support of officers are not considered officers.

(c) Except as provided by 5 U.S.C. 8191 and 8192 and elsewhere in this part, the provisions of the FECA and of subparts A, B, and D through I of this part apply to officers.

§ 10.736 What are the time limits for filing a LEO claim?

OWCP must receive a claim for benefits under 5 U.S.C. 8191 within five years after the injury or death. This five-year limitation is not subject to waiver. The tolling provisions of 5 U.S.C. 8122(d) do not apply to these claims.

§ 10.737 How is a LEO claim filed, and who can file a LEO claim?

A claim for injury or occupational disease should be filed on Form CA-721; a death claim should be filed on Form CA-722. All claims should be submitted to the officer’s employer for completion and forwarding to OWCP. A claim may be filed by the officer, the officer’s survivor, or any person or association authorized to act on behalf of an officer or an officer’s survivors.

20 CFR Ch. I (4-1-07 Edition)

§ 10.738 Under what circumstances are benefits payable in LEO claims?

(a) Benefits are payable when an officer is injured while apprehending, or attempting to apprehend, an individual for the commission of a Federal crime. However, either an actual Federal crime must be in progress or have been committed, or objective evidence (of which the officer is aware at the time of injury) must exist that a potential Federal crime was in progress or had already been committed. The actual or potential Federal crime must be an integral part of the criminal activity toward which the officer’s actions are directed. The fact that an injury to an officer is related in some way to the commission of a Federal crime does not necessarily bring the injury within the coverage of the FECA. The FECA is not intended to cover officers who are merely enforcing local laws.

(b) For benefits to be payable when an officer is injured preventing, or attempting to prevent, a Federal crime, there must be objective evidence that a Federal crime is about to be committed. An officer’s belief, unsupported by objective evidence, that he or she is acting to prevent the commission of a Federal crime will not result in coverage. Moreover, the officer’s subjective intent, as measured by all available evidence (including the officer’s own statements and testimony, if available), must have been directed toward the prevention of a Federal crime. In this context, an officer’s own statements and testimony are relevant to, but do not control, the determination of coverage.

§ 10.739 What kind of objective evidence of a potential Federal crime must exist for coverage to be extended?

Based on the facts available at the time of the event, the officer must have an awareness of sufficient information which would lead a reasonable officer, under the circumstances, to conclude that a Federal crime was in progress, or was about to occur. This awareness need not extend to the precise particulars of the crime (the section of Title 18, United States Code, for example), but there must be sufficient
