

(b) The NDCs, the average wholesale prices, and the dispensing fee shall be reviewed from time to time and updated as necessary.

§ 10.810 How are payments for inpatient medical services determined?

(a) OWCP will pay for inpatient medical services according to pre-determined, condition-specific rates based on the Prospective Payment System (PPS) devised by HCFA (42 CFR parts 412, 413, 424, 485, and 489). Using this system, payment is derived by multiplying the diagnosis-related group (DRG) weight assigned to the hospital discharge by the provider-specific factors.

(1) All hospital discharges will be classified according to the DRGs prescribed by the HCFA in the form of the DRG Grouper software program. On this list, each DRG represents the average resources necessary to provide care in a case in that DRG relative to the national average of resources consumed per case.

(2) The provider-specific factors will be provided by HCFA in the form of their PPS Pricer software program. The software takes into consideration the type of facility, census division, actual geographic location (MSA) of the hospital, case mix cost per discharge, number of hospital beds, intern/beds ratio, operating cost to charge ratio, and other factors used by HCFA to determine the specific rate for a hospital discharge under their PPS. The Director may devise price adjustment factors as appropriate using OWCP's processing experience and internal data.

(3) OWCP will base payments to facilities excluded from HCFA's PPS on consideration of detailed medical reports and other evidence.

(4) The Director shall review the pre-determined hospital rates at least once a year, and may adjust any or all components when he or she deems it necessary or appropriate.

(b) The Director shall review the schedule of fees at least once a year, and may adjust the schedule or any of its components when he or she deems it necessary or appropriate.

§ 10.811 When and how are fees reduced?

(a) OWCP shall accept a provider's designation of the code to identify a billed procedure or service if the code is consistent with medical reports and other evidence. Where no code is supplied, OWCP may determine the code based on the narrative description of the procedure on the billing form and in associated medical reports. OWCP will pay no more than the maximum allowable fee for that procedure.

(b) If the charge submitted for a service supplied to an injured employee exceeds the maximum amount determined to be reasonable according to the schedule, OWCP shall pay the amount allowed by the schedule for that service and shall notify the provider in writing that payment was reduced for that service in accordance with the schedule. OWCP shall also notify the provider of the method for requesting reconsideration of the balance of the charge.

§ 10.812 If OWCP reduces a fee, may a provider request reconsideration of the reduction?

(a) A physician or other provider whose charge for service is only partially paid because it exceeds a maximum allowable amount set by the Director may, within 30 days, request reconsideration of the fee determination.

(1) The provider should make such a request to the OWCP district office with jurisdiction over the employee's claim. The request must be accompanied by documentary evidence that the procedure performed was incorrectly identified by the original code, that the presence of a severe or concomitant medical condition made treatment especially difficult, or that the provider possessed unusual qualifications. In itself, board-certification in a specialty is not sufficient evidence of unusual qualifications to justify an exception. These are the only three circumstances which will justify reevaluation of the paid amount.

(2) A list of OWCP district offices and their respective areas of jurisdiction is available upon request from the U.S. Department of Labor, Office of Workers' Compensation Programs, Washington, DC 20210, or from the Internet

§ 10.813

at www.dol.gov/dol/esa/owcp.htm. Within 30 days of receiving the request for reconsideration, the OWCP district office shall respond in writing stating whether or not an additional amount will be allowed as reasonable, considering the evidence submitted.

(b) If the OWCP district office issues a decision which continues to disallow a contested amount, the provider may apply to the Regional Director of the region with jurisdiction over the OWCP district office. The application must be filed within 30 days of the date of such decision, and it may be accompanied by additional evidence. Within 60 days of receipt of such application, the Regional Director shall issue a decision in writing stating whether or not an additional amount will be allowed as reasonable, considering the evidence submitted. This decision shall be final, and shall not be subject to further review.

§ 10.813 If OWCP reduces a fee, may a provider bill the claimant for the balance?

A provider whose fee for service is partially paid by OWCP as a result of the application of its fee schedule or other tests for reasonableness in accordance with this part shall not request reimbursement from the employee for additional amounts.

(a) Where a provider's fee for a particular service or procedure is lower to the general public than as provided by the schedule of maximum allowable charges, the provider shall bill at the lower rate. A fee for a particular service or procedure which is higher than the provider's fee to the general public for that same service or procedure will be considered a charge "substantially in excess of such provider's customary charges" for the purposes of §10.815(d).

(b) A provider whose fee for service is partially paid by OWCP as the result of the application of the schedule of maximum allowable charges and who collects or attempts to collect from the employee, either directly or through a collection agent, any amount in excess of the charge allowed by OWCP, and who does not cease such action or make appropriate refund to the employee within 60 days of the date of the decision of OWCP, shall be subject to

20 CFR Ch. I (4-1-07 Edition)

the exclusion procedures provided by §10.815(h).

EXCLUSION OF PROVIDERS

§ 10.815 What are the grounds for excluding a provider from payment under the FECA?

A physician, hospital, or provider of medical services or supplies shall be excluded from payment under the FECA if such physician, hospital or provider has:

(a) Been convicted under any criminal statute of fraudulent activities in connection with any Federal or State program for which payments are made to providers for similar medical, surgical or hospital services, appliances or supplies;

(b) Been excluded or suspended, or has resigned in lieu of exclusion or suspension, from participation in any Federal or State program referred to in paragraph (a) of this section;

(c) Knowingly made, or caused to be made, any false statement or misrepresentation of a material fact in connection with a determination of the right to reimbursement under the FECA, or in connection with a request for payment;

(d) Submitted, or caused to be submitted, three or more bills or requests for payment within a twelve-month period under this subpart containing charges which the Director finds to be substantially in excess of such provider's customary charges, unless the Director finds there is good cause for the bills or requests containing such charges;

(e) Knowingly failed to timely reimburse employees for treatment, services or supplies furnished under this subpart and paid for by OWCP;

(f) Failed, neglected or refused on three or more occasions during a 12-month period to submit full and accurate medical reports, or to respond to requests by OWCP for additional reports or information, as required by the FECA and §10.800;

(g) Knowingly furnished treatment, services or supplies which are substantially in excess of the employee's needs, or of a quality which fails to meet professionally recognized standards; or
