

NCEI State Innovation Grant (SIG) FY08
Pre-Competition Briefing
(2 hours total duration)

AGENDA

Workshop Objectives: EPA will host a pre-competition briefing and question and answer (Q&A) session with the States to solicit input on potential themes and re-delegation of authority, to receive current point-of-contact information, and to answer any questions that the States have prior to the competition to enable the States (and/or State-led teams) to submit well-developed pre-proposals in the FY08 competition.
