

Rural Utilities Service, USDA

§ 1770.15

§ 1770.13 Accounting requirements.

(a) Each borrower shall maintain its books of accounts on the accrual basis of accounting. All transactions shall be recorded in the period in which they occur and reconciled monthly. The books of accounts shall be closed at the end of each fiscal year and financial statements shall be prepared for the period and audited in accordance with the provisions of 7 CFR part 1773, RUS Policy on Audits of Electric and Telephone Borrowers.

(b) All books of accounts, records, and memoranda shall be maintained in such a manner as to fully support the journal entries to which they relate. The books and records referred to herein shall include records of a nontechnical nature such as minute books, stock and membership records, reports, correspondence, and memoranda.

(c) Interpretations of Federal or State requirements shall be referred to the applicable commission exercising jurisdiction over the borrower.

(d) Interpretations of RUS accounting requirements shall be referred to

the appropriate Telephone Area office of RUS.

§ 1770.14 Continuing property records.

Each borrower shall maintain continuing property records which detail the date of placement, location, description of property, and the original cost of the property record units. The continuing property record and other underlying records of construction costs shall be maintained so that upon retirement of one or more retirement units or of minor items without replacement when not included in the costs of retirement units, the actual cost of the plant retired can be determined.

§ 1770.15 Supplementary accounts required of all borrowers.

Accounts prescribed in the Stockholders' Equity and Patronage Capital section shall be maintained by stock companies and cooperatives as appropriate.

1130.3	1120.13	<i>Cash—Transfer of Funds</i> This account shall include all transfers of funds from one bank account to another. This account shall be charged with the amount of a check drawn for the transfer, and credited when the amount transferred is entered into the Cash Receipts Book.
	1120.21	<i>Special Cash Deposits</i>

Class of company		Account title
Account No.		
A	B	
		This account shall include all cash on special deposit, other than in sinking and other special funds provided for elsewhere, to pay dividends, interest, and other debts, when such payments are due one year or less from the date of deposit; the amount of cash deposited to insure the performance of contracts to be performed within one year from the date of the deposit; and other cash deposits of a special nature not provided for elsewhere. This account shall include the amount of cash deposited with trustees to be held until mortgaged property sold, destroyed, or otherwise disposed of is replaced, and also cash realized from the sale of the company's securities and deposited with trustees to be held until invested in physical property of the company or for disbursement when the purposes for which the securities were sold are accomplished.
1150.1	1120.31	<i>Petty Cash Fund</i>
		This account shall include funds in the custody of employees or agents for making minor disbursements. The fund shall be operated on an imprest basis. Expenditures shall be supported by receipts, and reimbursements to the fund shall be for the exact amount of such expenditures and shall be charged to the various accounts to which the expenditures are allocable. At all times, the total of the cash on hand and the unreimbursed expenditures shall equal the amount of the fund.
1150.2	1120.32	<i>Change Fund</i>
		This account shall include funds in the custody of employees or agents for making change. Records shall be kept of the amount held by each person. Disbursements shall not be made from the fund.
1220.1	1220.1	<i>Materials and Supplies*</i>
		This account shall include the cost of materials and supplies held in stock including plant supplies, motor vehicles supplies, tools, fuel, other supplies and material and articles of the company in process of manufacture for supply stock. Transportation charges and sales and use taxes, as far as practicable, shall be included as a part of the cost of the particular material to which they relate. Transportation and sales and use taxes which are not included as part of the cost of particular material shall be equitably apportioned among the accounts to which material is charged. As far as practicable, cash and other discounts on material shall be deducted in determining cost of the particular material to which they relate or credited to the account to which the material is charged. When such deduction is not practicable, discounts shall be equitably apportioned among the accounts to which material is charged. Material recovered in connection with construction, maintenance or retirement of property shall be charged to this account as follows: —Reusable items that, when installed or in service, were retirement units shall be included in this account at the original cost. —Reusable minor items that, when installed or in service, were not retirement units shall be included in this account at current prices new. —The cost of repairing reusable material shall be charged to the appropriate Plant Specific Operations Expense accounts. —Scrap and nonusable material included in this account shall be carried at the estimated amount which will be received therefor. The difference between the amounts realized for scrap and nonusable material sold, and the amounts at which it is carried in this account shall be adjusted in the accounts credited when the material was taken up in this account. Interest paid on material bills, the payments of which are delayed, shall be charged to Account 7540, Other Interest Deductions. Inventories of materials and supplies shall be taken during each calendar year and the adjustments to this account shall be charged or credited to Account 6512, Provisioning Expense.
1220.2	1220.2	<i>Property Held for Sale or Lease*</i>
		This account shall include the cost of all items purchased for resale or lease. The cost shall include applicable transportation charges, sales and use taxes, and cash and other purchase discounts. Inventory shortages and overages shall be charged and credited, respectively to Account 7991, Other Non-regulated Revenues. *These accounts shall not include items which are related to a nonregulated activity unless that activity involves joint or common use of assets and resources in the provision of regulated and nonregulated products and services.
1220.3	1220.3	<i>Exempt Materials—Clearing</i>
		This account shall include the cost of materials and supplies designated as exempt material on the carrier's "Exempt Material List". Charges to this account shall be cleared monthly to the primary plant and maintenance accounts in accordance with percentages developed by the individual carriers. When there is a substantial amount of exempt material on hand at the end of the year, substantial enough to distort net income or margins, a physical inventory may be taken. The cost of the inventory on hand shall be debited to this account and credited to the appropriate primary plant and maintenance accounts on a pro-rata basis related to the original charges to these accounts. This entry shall be reversed at the first of the year.

This account shall be debited and Account 1402.1 credited when the patronage refund is redeemed.
1402.2	1402.2	<i>Investments in Nonaffiliated Companies—Class C RTB Stock</i>
		This account shall include the par value of the company's investment in Class C Rural Telephone Bank stock. Cash dividends on Class C stock shall be recorded in Account 7310/7300.1, Dividend Income, when declared.
1402.3	1402.3	<i>Other Investments in Nonaffiliated Companies</i>
		This account shall include the acquisition cost of the company's investment in securities issued by non-affiliated companies, other than securities held in special funds which shall be charged to Account 1408, Sinking Funds, and also its investment advances to such parties and special deposits of cash for more than one year from the date of deposit. Declines in value of investments shall be charged to Account 4540.41, Other Capital, if temporary and as a current period loss if permanent. Detailed records shall be maintained to reflect unrealized losses for each investment.
2001.1	2001.1	<i>Telecommunications Plant in Service—Classified</i>
		This account shall include the original cost of the property capitalized in Accounts 2110 through 2690.
2001.2	2001.2	<i>Telecommunications Plant in Service—Unclassified</i>
		This account shall include the original cost of telecommunications property which has been completed and placed in service but which has not been classified pending completion of final inventories of construction, final cost summaries, etc. The balance in this account is subject to depreciation charges.
2003.1	2003.1	<i>Telecommunications Plant Under Construction—Short Term—Contract</i>
		This account shall include all costs incurred in the construction of telecommunications plant performed under contract and designed to be completed in one year or less. Included among these costs are contractor payments, and charges for engineering, supervision, taxes, insurance, transportation, and other costs incurred in contract construction. This account shall be maintained such that the various items of costs are readily identifiable.
2003.2	2003.2	<i>Telecommunications Plant Under Construction—Short Term—Force Account</i>

Class of company		Account title
Account No.		
A	B	
		This account shall include all costs incurred in the construction of telecommunications plant performed by the borrowers' own employees and designed to be completed in one year or less. Included among these costs are charges for material, labor, engineering, supervision, taxes, insurance, transportation, supply expense, and other costs incurred in the construction. This account shall be maintained so that the various items of cost are readily identified. Specific subaccounts should be maintained to distinguish individual projects.
2003.3	2003.3	<i>Telecommunications Plant Under Construction—Short Term—Work Orders</i> This account shall include all costs incurred in the construction of telecommunications plant performed under a work order system or a line extension contract and designed to be completed in one year or less. This type of construction generally includes service installations, subscriber extensions, and minor plant improvements after the completion of the initial system. Included among these costs are charges for labor, materials and supplies, transportation, payroll taxes, insurance, supervision and other costs incurred in the construction. Subsidiary records shall be maintained to reflect the cost of individual jobs. These records shall be reconciled periodically with the general ledger control account. Specific subaccounts should be maintained to accumulate costs incurred under line extension contracts.
2004.1	2004.1	<i>Telecommunications Plant Under Construction—Long Term—Contract</i> This account shall include all costs incurred in the construction of telecommunications plant performed under contract and designed to be completed in more than one year. Included among these costs are contractor payments, and charges for engineering, supervision, taxes, insurance, transportation, interest during construction, and other costs incurred in contract construction. This account shall be maintained such that the various items of cost are readily identified.
2004.2	2004.2	<i>Telecommunications Plant Under Construction—Long Term—Force Account</i> This account shall include all costs incurred in the construction of telecommunications plant performed by the borrowers' own employees and designed to be completed in more than one year. Included among these costs are charges for material, labor, engineering, supervision, taxes, insurance, transportation, supply expense, interest during construction, and other costs incurred in the construction. This account shall be maintained such that the various items of cost are readily identified. Specific subaccounts should be maintained to distinguish individual projects.
2004.3	2004.3	<i>Telecommunications Plant Under Construction—Long Term—Work Orders</i> This account shall include all costs incurred in the construction of telecommunications plant performed under a work order system or a line extension contract and designed to be completed in more than one year. Included among these costs are charges for labor, materials and supplies, transportation, payroll taxes, insurance, supervision, interest during construction, and other costs incurred in the construction. Subsidiary records shall be maintained to reflect the cost of individual jobs. These records shall be reconciled periodically with the general ledger control account. Specific subaccounts should be maintained to accumulate costs incurred under line extension contracts.
	2210.11	<i>Central Office Switching—Analog*</i> This account shall include the original cost of stored program control analog circuit-switching and associated equipment. This account shall also include the original cost of remote analog electronic circuit switches.
	2210.21	<i>Central Office Switching—Digital*</i> This account shall include the original cost of stored program control digital switches and their associated equipment. Included in this account is the original cost of digital switches which utilize either dedicated or non-dedicated circuits. This account shall also include the original cost of remote digital electronic switches.
	2210.31	<i>Central Office Switching—Electro-Mechanical—Step-by-Step*</i> This account shall include the original cost of step-by-step and associated circuit-switching equipment.
	2210.32	<i>Central Office Switching—Electro-Mechanical—Crossbar*</i> This account shall include the original cost of crossbar and associated circuit switching equipment. Also included in this account is the original cost of electronic translator system equipment used in switching.
	2210.33	<i>Central Office Switching—Electro-Mechanical—Other*</i> This account shall include the original cost of all other types of non-electronic circuit-switching equipment such as panel systems and their associated circuit-switching equipment. *Switching plant excludes switchboards which perform operator assistance functions and equipment which is an integral part thereof. It does not exclude equipment used solely for the recording of calling telephone numbers in connection with customer dialed charged traffic, dial tandem switches, and special switchboards used in conjunction with private line service; such equipment shall be classified to the particular switch that it serves.
	2230.11	<i>Central Office Transmission—Radio Systems—Satellite and Earth Station Facilities</i>

Rural Utilities Service, USDA

§ 1770.15

Class of company		Account title
Account No.		
A	B	
		This account shall include the original cost of an ownership interest in satellites (including land-side spares), other spare parts, materials, and supplies. It shall include launch insurance and other satellite launch costs. This account shall also include the original cost of earth stations and spare parts, materials, and supplies therefor.
	2230.12	<i>Central Office Transmission—Radio Systems—Other</i>
		This account shall include the original cost of radio equipment used to provide radio communication channels. Radio equipment is that equipment which is used for the generation, amplification, propagation, reception, modulation, and demodulation of radio waves in free space over which communications channels can be provided. This account shall also include the associated carrier and auxiliary equipment and patch bay equipment which is an integral part of the radio equipment. Such equipment may be located in central office buildings, terminal rooms, or repeater stations or may be mounted on towers, masts, or other supports.
	2230.21	<i>Central Office Transmission—Circuit Equipment</i>
		This account shall include the original cost of equipment which is used to reduce the number of physical pairs otherwise required to serve a given number of subscribers by utilizing carrier systems, concentration stages or combinations of both. It shall include equipment that provides for simultaneous use of a number of interoffice channels on a single transmission path. This account shall also include the original cost of equipment which is used for the amplification, modulation, regeneration, circuit patching, balancing or control of signals transmitted over interoffice communications transmission channels. This account shall include the original cost of equipment which utilizes the message path to carry signaling information or which utilizes separate channels between switching offices to transmit signaling information independent of the subscribers' communication paths or transmission channels. This account shall also include the original cost of associated material used in the construction of such plant. Circuit equipment may be located in central offices, in manholes, on poles, in cabinets or huts or at other locations.
		This account excludes carrier and auxiliary equipment and patch bay which are recorded in Account 2230.12, Central Office Transmission—Radio Systems—Other
3100x	3100x	<i>Retirement Work in Progress</i>
		This account shall be charged with the original cost of property retired from the telecommunications plant accounts. It shall also be charged with all of the costs incurred in removing the retired plant from service. This account shall be credited with the salvage value of materials recovered in the retirement of the telecommunications plant. At such time as the retirement work order is complete, the net income/loss resulting therefrom shall be transferred from this account to the appropriate primary plant depreciation reserve account.
4010.11	4010.11	<i>Accounts Payable to Affiliated Companies</i>
		This account shall include all amounts currently due to affiliated companies for recurring trade obligations, and not provided for in other accounts, such as those for traffic settlements, material and supplies, repairs to telecommunications plant, matured rents, and interest payable under monthly settlements on short-term loans, advances, and open accounts.
4010.21	4010.21	<i>Accounts Payable to Nonaffiliated Companies</i>
		This account shall include all amounts currently due to nonaffiliated companies for recurring trade obligations, and not provided for in other accounts, such as those for traffic settlements, materials and supplies, repairs to telecommunications plant, matured rents, and interest payable under monthly settlements on short-term loans, advances, and open accounts.
4010.22	4010.22	<i>Accounts Payable—Employees' Income Tax Withheld</i>
		This account shall include income taxes payable that have been withheld from employees' salaries.
4010.23	4010.23	<i>Accounts Payable—FICA Taxes Withheld</i>
		This account shall include FICA taxes payable that have been withheld from employees' salaries.
4010.24	4010.24	<i>Accounts Payable—Federal Excise Taxes</i>
		This account shall include Federal excise taxes payable.
4010.25	4010.25	<i>Accounts Payable—Payroll</i>

		This account shall include the amortization expense associated with capital leases and leasehold improvements (Accounts 2681 and 2682), intangibles (Account 2690), and telecommunications plant adjustments (Account 2005).
	7200.1	<i>Operating Investment Tax Credits—Net</i> This account shall be charged and Account 4320, Unamortized Operating Investment Tax Credits—Net, shall be credited with investment tax credits generated from qualified expenditures related to regulated operations which the company defers rather than recognizes currently in income. This account shall be credited and Account 4320 shall be charged ratably with the amortization of each year’s investment tax credits included in Account 4320 for investment services for ratemaking purposes. Such amortization shall be determined in relation to the period of time used for computing book depreciation on the property with respect to which the tax credits relate.
	7200.2	<i>Operating Federal Income Taxes</i> This account shall be charged and Account 4070.1, Income Taxes Accrued—Federal, shall be credited for the amount of Federal income tax expense incurred in the current operating period. This account shall also reflect subsequent adjustments to amounts previously charged. Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.
	7200.3	<i>Operating State and Local Income Taxes</i> This account shall be charged and Account 4070.2, Income Taxes Accrued—State and Local, shall be credited for the amount of state and local income tax expense incurred in the current operating period. This account shall also reflect subsequent adjustments to amounts previously charged. Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.
7240.1	7200.41	<i>Operating Taxes—Property</i> This account shall be charged and Account 4080.1, Other Taxes Accrued—Property, shall be credited for the amount of property tax expense incurred in the current operating period. This account shall also reflect subsequent adjustments to amounts previously charged. Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.
7240.2	7200.42	<i>Operating Taxes—Miscellaneous</i> This account shall be charged and Account 4080.5, Other Taxes Accrued—Miscellaneous, shall be credited for the amount of all other taxes accrued during the current operating period and not provided for elsewhere such as gross receipts, franchise, and capital stock tax expense incurred in the current operating period. This account shall also reflect subsequent adjustments to amounts previously charged. Taxes should be accrued each month on an estimated basis and adjustments made as later data becomes available.
	7200.5	<i>Provision for Deferred Operating Income Taxes-Net</i> This account shall be charged or credited, as appropriate, with contra entries recorded in either Account 4100, Net Current Deferred Operating Income Taxes, or Account 4340, Net Noncurrent Deferred Operating Income Taxes, as appropriate, for income tax expense that has been deferred. Subsidiary record categories shall be maintained to distinguish between property and nonproperty related deferrals and so that the company may separately report the amounts contained herein that relate to Federal, state, and local income taxes.
	7300.1	<i>Dividend Income</i> This account shall include dividends on investments in common and preferred stock, which is the property of the company, whether such stock is owned by the company and held in its treasury, or deposited in trust, or otherwise controlled. This account shall not include dividends or other returns on securities issued or assumed by the company and held by or for it, whether pledged as collateral, or held in its treasury, in special deposits, or in sinking or other funds. Dividends on stocks of other companies held in sinking or other funds shall be credited to Account 7300.3, Income from Sinking and Other Funds. Dividends received and receivable from affiliated companies accounted for on the equity method shall be included in Account 1401, Investments in Affiliated Companies, as a reduction of the carrying value of the investments.

		<p>This account shall include interest on securities, including notes and other evidences of indebtedness which are the property of the company, whether such securities are owned by the company and held in its treasury, or deposited in trust (except in sinking or other funds) or otherwise controlled. It shall also include interest on bank balances, certificates of deposits, open accounts, and other analogous items. There shall be included in this account for each month, the applicable amount requisite to extinguish, during the interval between the date of acquisition and the date of maturity, the difference between the purchase price and the par value of securities owned, the income from which is includable in this account. Amounts thus credited or charged shall be concurrently included in the accounts in which the securities are carried. Any such difference remaining unextinguished at the sale or upon the maturity and satisfaction of such securities shall be cleared to Account 7300.6. Other Nonoperating Income and Expense.</p>
7300.3		<p><i>Income from Sinking and Other Funds</i></p> <p>This account shall include the income accrued on cash, securities issued by other companies, and other assets (not including securities issued or assumed by the company) held in sinking and other funds.</p> <p>There shall be included in this account for each month the applicable amount requisite to extinguish, during the interval between the date of acquisition and the date of maturity, the difference between the purchase price and the par value of securities held in sinking or other funds. Amounts thus credited or charged shall be concurrently included in the accounts in which the securities are carried. Any such differences remaining unextinguished upon the maturity and satisfaction of such securities shall be cleared to Account 7300.6. Other Nonoperating Income and Expense.</p>
7300.4		<p><i>Allowance for Funds Used During Construction</i></p> <p>This account shall be credited with such amounts as are charged to the telecommunications plant accounts for the purpose or recording an allowance for funds used for construction purposes.</p>
7300.5		<p><i>Gains or Losses from the Disposition of Certain Property</i></p> <p>This account shall include gains or losses resulting from the disposition of land or artworks; plant with traffic, and nonoperating telecommunications plant not previously used in the provision of telecommunication services.</p>
7300.6		<p><i>Other Nonoperating Income and Expense</i></p> <p>This account shall include all other items of income and gains or losses from activities not specifically provided for elsewhere such as gains or losses realized on the sale of temporary cash investments or marketable equity securities; fees collected in connection with the exchange of coupon bonds for registered bonds; uncollectible amounts previously credited to Accounts 7300.1, 7300.2, 7300.3, 7300.4, 7300.5, and 7300.6, gains or losses from the extinguishment of debt made to satisfy sinking fund requirements; gains or losses of a nonoperating nature arising from the exchange or translation of foreign currency; net unrealized losses on investments in current marketable equity securities; write-downs or write-offs of the book costs of investments in equity securities due to permanent impairment; amortization of goodwill; the company's share of earnings or losses of affiliated companies accounted for on the equity method; and the net balance of the revenue from and the expenses of property, plant, and equipment, the cost of which is includable in Account 2006, Nonoperating Plant.</p>
7400.1		<p><i>Nonoperating Investment Tax Credits—Net</i></p> <p>This account shall be charged and Account 4330, Unamortized Nonoperating Investment Tax Credits—Net, shall be credited with nonoperating investment tax credits generated from qualified expenditures related to other operations which the company has elected to defer rather than recognize currently in income.</p> <p>This account shall be credited and Account 4330, Unamortized Nonoperating Investment Tax Credits—Net, shall be charged with the amortization of each year's investment tax credits included in such accounts relating to amortization of previously deferred investment tax credits of other property or regulated property, the amortization of which does not serve to reduce costs of service (but the unamortized balance does reduce rate base) for ratemaking purposes. Such amortization shall be determined with reference to the period of time used for computing book depreciation on the property with respect to which the tax credits relate.</p>
7400.2		<p><i>Nonoperating Federal Income Taxes</i></p> <p>This account shall be charged and Account 4070.1, Income Taxes Accrued—Federal, shall be credited for the amount of nonoperating Federal income taxes for the current period. This account shall also reflect subsequent adjustments to amounts previously charged.</p> <p>Taxes shall be accrued each month on an estimated basis and adjustments made as later data becomes available. Companies that adopt the flowthrough method of accounting for investment tax credits shall reduce the calculated provision in this account by the entire amount of the credit realized during the year. Tax credits, if normalized, shall be recorded consistent with the accounting for investment tax credits.</p> <p>No entries shall be made to this account to reflect interperiod tax allocation.</p>
