(a) The parity index and related indices for the purpose of calculating parity prices after May 1, 1976, according to the formula contained in section 301(a) of the Agricultural Adjustment Act of 1938, as amended by the Agricultural Acts of 1948, 1949, 1954, and 1956 (hereinafter referred to as section 301(a)) shall be the index of prices paid by farmers, interest, taxes, and farm wage rates, as revised May 1976 and published in the May 28, 1976, and subsequent issues of the monthly report, "Agricultural Prices."
