§ 61.2a Designation of official certificates, memoranda, marks, other identifications, and devices for purpose of the Agricultural Marketing Act.

Subsection 203(h) of the Agricultural Marketing Act of 1946, as amended by Pub. L. 272, 84th Congress, provides criminal penalties for various specified offenses relating to official certificates, memoranda, marks, or other identifications, and devices for making such marks or identifications, issued or authorized under section 203 of said act, and certain misrepresentations concerning the inspection or grading of agricultural products under said section. For the purposes of said subsection and the provisions in this part, the terms listed below shall have the respective meanings specified:

(a) *Official certificate* means any form of certification, either written or printed, used under this part to certify with respect to the inspection, sampling, class, grade, quality, quantity, or condition of products (including the compliance of products with applicable specifications).

(b) *Official memorandum* means any initial record of findings made by an authorized person in the process of grading, inspecting, or sampling, pursuant to this part, any processing or plant-operation report made by an authorized person in connection with grading, inspecting, or sampling under this part, and any report made by an authorized person of services performed pursuant to this part.

(c) *Official mark* means the grade mark, inspection mark, and any other mark, approved by the Administrator and authorized to be affixed to any product, or affixed to or printed on the packaging material of any product, stating that the product was graded or inspected or both, or indicating the appropriate U.S. grade or condition of the product, or for the purpose or main-

taining the identity of products graded or inspected or both under this part.

(d) *Official identification* means any United States (U.S.) standard designation of class, grade, quality, quantity, or condition specified in this part, or any symbol, stamp, label, or seal indicating that the product has been officially graded or inspected and/or indicating the class, grade, quality, quantity, or condition of the product, approved by the Administrator and authorized to be affixed to any product, or affixed to or printed on the packaging material of any product.

(e) *Official device* means a stamping appliance, branding device, stencil, printed label, or any other mechanically or manually operated tool that is approved by the Administrator for the purpose of applying any official mark or other identification to any product or the packaging material thereof.

ADMINISTRATIVE AND GENERAL

§ 61.3 Director.

The Director shall perform for and under the supervision of the Secretary and the Administrator, such duties as the Secretary or the Administrator may require in enforcing the provisions of the act and the regulations.

§ 61.4 Supervisor of cottonseed inspection.

The Director, whenever he deems necessary, may designate an officer of the Division as supervisor of cottonseed inspection who shall supervise the inspection and sampling of cottonseed and perform such other duties as may be required of him in administering the act and the regulations.

§ 61.5 Regulations to govern.

The inspection, sampling, analyzing, and grading of cottonseed in the United States pursuant to the act shall be performed as prescribed in methods approved from time to time by the Director.

§ 61.6 Denial of further services.

Any person, partnership, or corporation that shall have undertaken to utilize the services of licensed cottonseed samplers under these regulations who shall not make available for official

sampling and analysis each lot of cottonseed purchased or sold on grade and received by such person or partnership or corporation, may be denied further services under the act and these regulations: *Provided*, That in cases of persons, partnerships, or corporations operating two or more cottonseed crushing units under separate local managements, such penalty shall apply only to the offending unit, unless it shall be shown that the actions of such unit were at the direction or with the knowledge, approval, or acquiescence of the general management.

[22 FR 10948, Dec. 28, 1957, as amended at 58 FR 42413, Aug. 9, 1993]

§ 61.7 Misrepresentation.

Any willful misrepresentation or any deceptive or fraudulent practice made or committed by an applicant for a cottonseed sampler's certificate or for a cottonseed chemist's certificate or for an appeal grade certificate in connection with the sampling or grading of cottonseed by persons licensed under the act and the regulations or the issuance or use of a certificate not issued by a person licensed under the regulations in imitation of or that might mislead anyone to believe that such certificate was in fact issued by a person licensed under the act, or that might be otherwise false, misleading, or deceptive, may be deemed sufficient cause for debarring such applicant from any further benefits of the act.

§ 61.8 Application for review.

In case of dispute in which a review is desired of the grading of any official sample of cottonseed covered by a valid certificate issued by a licensed cottonseed chemist, application therefor shall be filed with or mailed to a supervisor of cottonseed inspection within ten days after the date of the original certificate, whereupon the licensed chemist issuing the certificate shall immediately surrender to such supervisor the retained portion of the original sample, together with such records as may be required, for the determination of the true grade. The supervisor shall assign to such retained portion an identification number, shall divide such retained portion into two parts and submit the parts to two other li-

censed cottonseed chemists for reanalysis. Should the supervisor determine that such reanalyses indicate a grade differing from the original by not more than plus or minus one full grade, the original grade shall be considered the true grade. Should he find that such reanalyses indicate a grade differing more than plus or minus one full grade from the original, he shall determine the true grade. In any case, the supervisor shall issue over his name an appeal cottonseed grade certificate showing the true grade as determined in accordance with this section, which shall supersede the licensed chemists' certificates relating to the grade of such seed. Where due solely to errors in calculation or clerical error a grade certificated by a licensed cottonseed chemist is not the true grade, the supervisor shall direct the licensee to cancel the original and to issue a correct certificate. Should such error be found after an application for review has been filed, the supervisor shall nevertheless issue an appeal cottonseed grade certificate showing the true grade of the cottonseed involved.

§ 61.9 Cost of review.

In cases of review of the grade of any official sample of cottonseed, payment covering the costs of re-analysis shall accompany the application.

LICENSED COTTONSEED SAMPLERS

§ 61.25 Application for license as sampler; form.

(a) Applications for licenses to sample cottonseed shall be made to the Director on forms furnished for the purpose by him.

(b) Each such application shall be in English, shall be signed by the applicant, and shall contain or be accompanied by (1) satisfactory evidence that he is an actual resident of the United States, (2) satisfactory evidence of his experience in the handling and sampling of cottonseed, (3) a statement by the applicant that he agrees to comply with and abide by the terms of the act and these regulations so far as they relate to him, and with instructions issued from time to time governing the
