[37 FR 22363, Oct. 19, 1972, as amended at 39 FR 987, Jan. 4, 1974. Redesignated at 42 FR 32514, June 27, 1977, as amended at 43 FR 60138, Dec. 26, 1978. Redesignated at 46 FR 63203, Dec. 31, 1981]

§ 58.51 Information required on official identification.

Each official identification shall conspicuously indicate the U.S. grade of the product it identifies, if there be a grade, or such other appropriate terminology as may be approved by the Administrator. Also, it shall include the appropriate phrase: "Officially graded," "Officially Inspected," or "Federal-State graded." When required by the Administrator, the package label, carton, or wrapper bearing official identification for dairy products shall be stamped or perforated with the date packed and the certificate number or a code number to indicate lot and date packed. Such coding shall be made available to and approved by the Administrator.

§ 58.52 Time limit for packaging inspected or graded products with official identification.

Any lot of butter which is graded for packaging with official grade identification shall be packaged within 10 days immediately following the date of grading, and any lot of natural cheese or dry milk shall be packaged within 30 days immediately following date of grading provided the product is properly stored during the 10- or 30-day period. Time limit for packaging other inspected or graded products shall be as approved by the Administrator. If inspected or graded product is moved to another location, a reinspection or regrading shall be required.

PREREQUISITES TO PACKAGING PRODUCTS WITH OFFICIAL IDENTIFICATION

§ 58.53 Supervisor of packaging required.

The official identification of any inspected or graded product, as provided in §§ 58.50 through 58.52, this section,

and §§ 58.54 through 58.57, shall be done only under the supervision of a supervisor of packaging. The authority to use official identification may be granted by the Administrator only to applicants who utilize the services of a supervisor of packaging in accordance with this subpart. The supervisor of packaging shall have jurisdiction over the use and handling of all packaging material bearing any official identification.

§ 58.54 Packing and packaging room and equipment.

Each applicant who is granted authority to package any product with official identification and who operates, for such purpose, a packaging room shall maintain the room and the equipment therein in accordance with this part.

§ 58.55 Facilities for keeping quality samples.

Each applicant granted authority, as aforesaid, to package product with official identification shall provide and maintain suitable equipment for the purpose of incubating samples of product.

§ 58.56 Incubation of product samples.

(a) Samples of product may be taken from any lot of product which is submitted for inspection or grading and packaging with official identification, or sample may be taken after packaging for the purpose of determining in accordance with provisions of this part if such product possesses satisfactory keeping quality.

(b) Samples of product may be taken for keeping quality tests in accordance with provisions of this part from any lot of product submitted for inspection or grading. Issuance of the inspection or grading certificate may be withheld pending completion of the tests.

§ 58.57 Product not eligible for packaging with official identification.

(a) When a lot of inspected or graded product shows unsatisfactory keeping quality, other lots from the same manufacturing plant shall not be packaged with official identification. Packaging with official identification may be resumed only when it is determined that
