AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice announcing availability of funds and application deadline for the Assistance for Homeless Youth program and the Emergency Impact Aid for Displaced Students program under sections 106 and 107 of the Hurricane Education Recovery Act, Division B, Title IV of Public Law 109-148.

SUMMARY: Under the Emergency Impact Aid for Displaced Students (Emergency Impact Aid) program (section 107 of the Hurricane Education Recovery Act, Division B, Title IV of Pub. L. 109-148 (the Act)), we will award grants to eligible State educational agencies (SEAs) to enable them to make emergency impact aid payments to eligible local educational agencies (LEAs) and eligible BIA-funded schools for the cost of educating public and nonpublic school students displaced by Hurricanes Katrina or Rita during school year 2005-2006. Under the Assistance for Homeless Youth program (section 106 of the Act), we will award grants to eligible SEAs to enable them to provide financial assistance to LEAs serving homeless children and youth displaced by Hurricanes Katrina or Rita in order to address the educational and related needs of these students in a manner consistent with section 723 of the McKinney-Vento Homeless Assistance Act.

An SEA will not apply separately for funding under the Emergency Impact Aid and Assistance for Homeless Youth programs. Rather, an SEA will submit a single application that covers both programs. The data that the SEA provides in its application will be used to determine allocations under both the Emergency Impact Aid program and the Assistance for Homeless Youth program. In this notice, we announce the availability of funds under the two programs and establish the deadline for submission of the single SEA grant application.

SEA Application Deadline: February 2, 2006.

SUPPLEMENTARY INFORMATION: There is available to SEAs under the Emergency Impact Aid program a total of \$645 million and under the Assistance for Homeless Youth program a total of \$5 million. We will use the data on the numbers of displaced public and nonpublic students that the Department is collecting under this application to determine the amount of funding that an SEA receives under the Emergency Impact Aid program.

Under the Assistance for Homeless Youth program, the Department is authorized to disburse funding to SEAs based on demonstrated need, as determined by the Secretary. The Secretary believes that the data that we are collecting under this application provides a reasonable and appropriate basis not only for allocating funds under the Emergency Impact Aid program, but also for determining the relative needs of SEAs for funding for public school students under the Assistance for
