

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 51 and 52

Control of Air Pollution; Removal of Obsolete and Burdensome Rules

AGENCY: Environmental Protection Agency (EPA)

ACTION: Proposed rule

SUMMARY: The EPA proposes to determine that certain regulations should be deleted or modified as obsolete, duplicative, superfluous or otherwise unduly burdensome. In the Final Rules section of this Federal Register, EPA is making these determinations without prior proposal. A detailed rationale for the action is set forth in the direct final rule. If no adverse comments are received in response to that direct final rule, no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments on the direct final rule, EPA will withdraw the portions of the final rule that triggered those comments. EPA will address those comments in a subsequent final rule based on this proposed rule. Any rules for which no adverse or critical comment is received will become final after the designated period. EPA will not institute a second comment period on this notice. Any parties interested in commenting on this notice should do so at this time.

DATES: Comments on this action must be received by May 11, 1996.

ADDRESSES: Written comments should be mailed to: Maureen Delaney, Office of Policy Analysis and Review (6103), Office of Air and Radiation, U.S. Environmental Protection Agency, 401 M Street, S.W., Washington, D.C. 20460 .
