Brokers and dealers should be alert to the fact that, pursuant to Exchange Act Rule 15c2-11, at the termination of the trading suspensions, no quotation may be entered relating to the securities of the subject companies unless and until the broker or dealer has strictly complied with all of the provisions of the rule. If any broker or dealer is uncertain as to what is required by the rule, it should refrain from entering quotations relating to the securities of these companies that have been subject to a trading suspension until such time as it has familiarized itself with the rule and is certain that all of its provisions have been met. Any broker or dealer with questions regarding the rule should contact the staff
