South Asia – Earthquake

Fact Sheet #20, Fiscal Year (FY) 2006

November 1, 2005

BACKGROUND

- A magnitude 7.6 earthquake struck Pakistan, India, and Afghanistan, on October 8, 2005, at 8:50 a.m. local time, according to the U.S. Geological Survey (USGS). The epicenter of the earthquake was located near Muzaffarabad, the capital of Pakistani-administered Kashmir, and approximately 60 miles north-northeast of Islamabad.
- Aftershocks continue in the affected areas. The delivery of humanitarian assistance is constricted by the mountainous area, cold weather, and damaged or collapsed infrastructure. The most affected areas are the North West Frontier Province (NWFP), Northern Punjab, and Pakistani-administered Kashmir in Pakistan, and Indian-administered Kashmir in India.

NUMBERS AT A GLANCE ¹		SOURCE
Pakistan	57,597 dead	Pakistan Federal Relief Commission – November 1
	78,800 injured	Government of Pakistan (GOP) – October 31
	2.8 million homeless	International Organization for Migration (IOM) – October 21
India	1,309 dead	Government of India (GOI) – October 26
	6,622 injured	GOI – October 26
	150,000 homeless	GOI – October 14

U.S. Government (USG) Assistance Pledged.....	\$100,000,000
USAID/OFDA Humanitarian Assistance Committed to Pakistan.....	\$38,123,287
Total USAID Humanitarian Assistance Committed to Pakistan.....	\$41,849,887
USAID/OFDA Humanitarian Assistance Committed to India.....	\$604,216
Total USG Humanitarian Assistance Committed to South Asia.....	\$42,454,103

CURRENT SITUATION

Pakistan

- The USAID/Disaster Assistance Response Team (DART) reports that following initial assessments, many people in the Allai Valley appear to have descended to stay with family and friends in hosting arrangements, or have obtained shelter materials and returned to their upland villages.
- On November 1, the GOP presented the National Action Plan (NAP) to agencies involved in the humanitarian response. The NAP provides a framework to further develop and strengthen the international humanitarian community's response and address identified gaps in human, financial, and material resources.
- According to the NAP, in NWFP; 230,770 houses, or more than 47 percent of the total, were damaged or destroyed. In Pakistani-administered Kashmir; the earthquake damaged or destroyed 241,613 houses, or approximately 68 percent of all homes. The NAP provides for a composite shelter package of tents, blankets, mattresses, and heaters.
- According to the U.N. Office for the Coordination of Humanitarian Affairs (OCHA), the U.N. World Food Program (WFP) has signed additional partnership agreements with humanitarian agencies in Muzaffarabad. In Mansehra, the U.N. Children's Fund (UNICEF) and WFP have divided responsibility for the food and nutrition sectors: UNICEF will be responsible for nutrition and WFP will be responsible for food. WFP reports that as of October 30, WFP had dispatched more than 5,200 metric tons (MT) of food to Abbottabad, Muzaffarabad, Mansehra, Balakot, Batgram, Shangla, Bagh, and Garhi Habibulla.
- The preliminary results of a USAID/Office of U.S. Foreign Disaster Assistance (OFDA)-funded Rapid Environmental Impact Assessment by CARE identified five disaster-linked environmental issues following the earthquake: 1) adequate climate appropriate shelter, increasing the demand for wood; 2) health problems linked to poor living conditions; 3) changes to the physical environment such as landslides; 4) inappropriate relief aid; and 5) debris management.
- On October 29, the U.N. World Health Organization (WHO) reported that although the total number of cases treated in hospitals Muzaffarabad and Balakot is decreasing, the number of patients treated for injuries remains at more than 10 percent. OCHA reported on November 1 that the total number of reported tetanus cases has increased to 113, with 22 deaths. WHO has established a coordination cell in Abbas Hospital in Muzaffarabad for the

¹ These figures are the best available estimates.

measles and tetanus vaccination campaign. OCHA reports that the campaign is expanding with more mobile vaccination teams to cover remote areas around Muzaffarabad.

USG HUMANITARIAN ASSISTANCE

Pakistan

- A USAID/DART has been on the ground in Pakistan since October 10. The mission of the USAID/DART is to assess humanitarian needs, assist with targeting and coordination of USG assistance in conjunction with USAID/Pakistan, and provide technical assistance as required. Headquartered in Islamabad, the USAID/DART has also established bases of operations in Muzaffarabad and Mansehra.
- To date, USAID has provided more than \$41.8 million in humanitarian assistance to earthquake-affected communities in Pakistan. USAID identified shelter, relief supplies, health, water and sanitation, and logistics as priority sectors for immediate relief operations.
- On October 31, a USAID airlift arrived in Islamabad carrying 30,000 blankets for distribution.
- From October 10 to 31, USAID completed nine airlifts of emergency relief commodities to Pakistan. The airlifts delivered a total of 45,000 blankets, 1,570 winterized tents, 6,150 rolls of plastic sheeting for approximately 30,750 families, 15,000 water containers, 17 water bladders, 2 water purification units, 10 WHO emergency health kits, and 20 concrete cutting saws. The total value of the completed airlifts, including transport, is more than \$4 million.
- In response to the U.N. Flash Appeal, USAID/OFDA has provided \$10.8 million in funding to support transitional shelter programs, health, water and sanitation, humanitarian air service, logistical coordination, and the movement of supplies to affected populations and movement of those populations to safe areas.
- To date, USAID/FFP has responded to the U.N. World Food Program's (WFP) emergency operation for Pakistan with 2,400 metric tons (MT) of vegetable oil and 480 MT of wheat soy blend. The total value of this contribution is approximately \$3.4 million.
- On October 20, USAID and Procter & Gamble announced a \$600,000 public-private alliance to provide safe drinking water for those affected by the earthquake. Through this partnership, USAID and Procter & Gamble are supplying a point-of-use water purification product that significantly reduces diarrheal illnesses. Through the Global Development Alliance (GDA), USAID contributed \$300,000 toward this partnership, which provides safe drinking water for more than 50,000 households for 3 months.
- To date, the U.S. Department of Defense (DOD) has transported 1,719 tons of relief supplies, including food, medicines, tents, water, blankets, and clothing. In addition, the U.S. military has cleared school and university sites, assisted with the opening of three airfields, and evacuated 7,797 injured persons from the affected areas.

India

- From October 11 to October 17, a USAID/OFDA Regional Advisor was in India assisting USAID/India with damage and needs assessments and making recommendations regarding USG assistance.
- On October 10, U.S. Ambassador to India David C. Mulford issued a disaster declaration due to the effects of the October 8 earthquake across northern India. In response, USAID/OFDA is providing \$100,000 through USAID/India to help meet the immediate humanitarian needs of the earthquake victims, \$50,000 of which will be As of October 28, USAID has provided more than \$600,000 to relief organizations for emergency relief supplies and shelter.
- To date, India has not requested international assistance.

U.S. GOVERNMENT HUMANITARIAN ASSISTANCE TO PAKISTAN

USAID/OFDA ASSISTANCE¹			
ACTED	Relief supplies, shelter, water and sanitation, cash-for-work	NWFP: Balakot	\$2,351,232
Action Against Hunger	Shelter, relief supplies	Earthquake Affected Regions of NWFP and AJK	\$2,180,000
American Red Cross	IFRC preliminary emergency appeal	Earthquake Affected Regions of NWFP and AJK	\$1,998,276
CRS	Livelihoods, water and sanitation, shelter	NWFP/AJK: Mansehra, Balakot, Muzaffarabad	\$2,470,000
GOAL	Shelter, livelihoods	AJK: Bagh	\$2,000,000
ICRC	Emergency relief supplies, shelter	Earthquake Affected Regions of NWFP and AJK	\$5,000,000
IOM	Delivery of relief supplies (surface transport), transport of displaced populations to safe areas, transitional shelter	Earthquake Affected Regions of NWFP and AJK	\$3,000,000
IRC	Shelter, emergency relief supplies, child protection	NWFP: Abbottabad, Batagram, Mansehra, and Shangla	\$2,500,000
Mercy Corps	Shelter, water and sanitation, cash-for-work	NWFP: Mansehra	\$1,511,168

U.S. GOVERNMENT HUMANITARIAN ASSISTANCE TO INDIA

USAID/OFDA ASSISTANCE			
CARE	Emergency relief supplies, shelter	Baramulla and Kupwara districts	\$100,000
CRS	Emergency relief supplies, shelter	Baramulla district	\$170,000
Prime Minister’s Relief Fund	Emergency relief activities	Affected Areas	\$50,000
Save the Children/UK	Emergency relief supplies, shelter	Baramulla, Kupwara, Poonch districts	\$134,278
USAID/India	Emergency relief activities	Affected Areas	\$50,000
World Vision	Emergency relief supplies, shelter	Baramulla, Kupwara districts	\$99,938
TOTAL USAID/OFDA HUMANITARIAN ASSISTANCE TO INDIA			\$604,216

²USAID/OFDA funding represents anticipated or actual obligated amounts as of November 1, 2005.

PUBLIC DONATION INFORMATION

- The most effective way people can assist relief efforts is by making cash contributions to humanitarian organizations that are conducting relief operations. Information on identifying such organizations is available in the “How Can I Help” section of www.usaid.gov – Keyword: South Asia Earthquake, or by calling The Center for International Disaster Information (CIDI) at 703-276-1914.
- USAID encourages cash donations because they: allow aid professionals to procure the exact items needed (often in the affected region); reduce the burden on scarce resources (such as transportation routes, staff time, warehouse space, etc); can be transferred very quickly and without transportation costs; support the economy of the disaster-stricken region; ensure culturally, dietary, and environmentally appropriate assistance.
- More information can be found at:
 - USAID: www.usaid.gov – Keyword: Donations
 - The Center for International Disaster Information: www.cidi.org or (703) 276-1914
 - Information on relief activities of the humanitarian community can be found at www.reliefweb.int
