COMMISSION ANNOUNCEMENTS

DIVISION OF MARKET REGULATION TO HOST SECURITIES IMMOBILIZATION WORKSHOPS

The Division of Market Regulation will host three Securities Immobilization Workshops on February 25 and 26, and March 8, 1985 beginning at 9:30 a.m. The workshops will be held in Room 1C30, 450 Fifth Street, NW, Washington, DC, and are open to the public.

The workshops are intended to provide financial industry representatives a forum to discuss increasing the issuance of securities in book-entry form and further immobilizing certificates for securities that continue to be certificated. The February 25 session will examine the advantages of book-entry systems and impediments to their use. The February 26 session will explore possibilities for certificate immobilization or book-entry issuance of securities exempt from registration under the securities laws, especially mortgage-backed securities, treasury receipts, municipal notes and commercial paper. The March 8 session will focus on problems faced by the insurance industry in using registered securities depositories, primarily State legal restrictions.

The Commission ordered public administrative proceedings under the Securities Exchange Act of 1934 against Mid-State Securities Corp., a registered Red Bank, New Jersey broker-dealer, and its president, Nicholas A. Codispoti.

The Order for Public Proceedings alleges that Mid-State wilfully violated, and Codispoti wilfully aided and abetted violations of, certain Exchange Act rules relating to Amendments to Application, Hypothecation of Customers' Securities, Customer Protection, Recordkeeping, Financial Reporting, and Supplemental Financial Reporting, and the Fidelity Bonding Requirements and Customer Identification Information Rule of the Municipal Securities Rulemaking Board.

This Order permanently suspending the conditional exemption provides that the suspension is based upon alleged: false, misleading or inaccurate statements in a Form 2-A (Report Pursuant to Rule 260 of Regulation A) filed with the Commission on June 7, 1983 as the final report regarding sales under the Regulation A offering; inaccuracies in the "Plan of Distribution" set forth in the Regulation A offering circular; and failure by Westar's president to cooperate with the Commission's inquiry regarding this matter.
