RULES AND RELATED MATTERS

PROPOSED REVISIONS TO REGULATION D; PROPOSED RULES 701, 702 and FORM 701

The Commission has published for comment a number of proposed revisions to the Regulation D exemptions from the registration requirements of the Securities Act of 1933 for certain limited offers and sales of securities. The proposals concern the accredited investor definition, Rule 504 and certain general, technical matters. A new exemptive provision, designated Rule 701, has also been proposed for comment. Under this proposal, offers and sales of securities pursuant to the terms of certain employee benefit plans and/or employment contracts of non-reporting companies would not have to be registered under the Securities Act.

Comments should be submitted in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Comments must be received by March 16 and should refer to File No. S7-1-87. Such comments will be available for public inspection. (Rel. 33-6683)

ADMINISTRATIVE PROCEEDINGS

RICHARD LYLE ANDERSON SANCTIONED

The Commission issued an order instituting public administrative proceedings under the Investment Advisers Act of 1940 and the Securities Exchange Act of 1934 against Richard Lyle Anderson, of Houston, Texas, who was president of Paragon Planning Corporation and Paragon Equity Corporation, both formerly registered with the Commission as an investment adviser and broker-dealer, respectively. Simultaneously, the Commission accepted Anderson's Offer of Settlement in which he, without admitting or denying the Commission's allegations, except those pertaining to a civil injunction which he admitted, consented to findings of violations and the sanctions imposed.

On the basis of the Order for Proceedings and the Offer of Settlement, the Commission found, among other things, that Anderson: (1) wilfully violated the antifraud provisions of the Securities Act, Exchange Act, and Investment Advisers Act; and (2) had been enjoined by consent from engaging in the violations just described.

Based on the above findings and the Offer of Settlement, Anderson was barred from association with any investment adviser, broker, dealer, investment company, or municipal securities dealer, provided that he may apply after 18 months in a non-supervisory, non-proprietary capacity and after four and one-half years in any capacity. (Rel. IA-1052)

The Commission suspended trading in the securities of PROS because of an apparent lack of current, adequate, and accurate public information concerning the company's business operations and financial condition.

Any broker or dealer or other person who has any information which may relate to this matter is encouraged to telephone the Division of Enforcement at (202) 272-2258. (Rel. 34-24006)
