COMMISSION ANNOUNCEMENTS

NOTICE OF LOCAL FORUMS ON SMALL BUSINESS CAPITAL FORMATION

The Executive Committee of the SEC Government-Business Forum on Small Business Capital Formation has announced plans to conduct during June and July 1983, a series of five local forums in cities across the nation concerning the small business capital formation process. Small businesspersons, bankers, financial advisers, venture capitalists, pension fund managers and others interested in small business will have an opportunity to present their views on problems and specific proposed remedies relating to tax, credit, access to financial institutions, securities and other areas of importance in the capital formation process.

The Executive Committee, which is chaired by SEC Commissioner John R. Evans, is comprised of representatives of government agencies, major small business organizations and other individuals and groups concerned about small business. A panel of Executive Committee members, including representatives of key federal agencies and departments, will conduct each local forum. The Executive Committee will prepare a report of the local forums, including proposed legislative and regulatory recommendations, to be presented to Congress and appropriate regulatory agencies later this year. The report is intended to provide guidance in establishing small business priorities for the eighties.

The Forum, which was first conducted in 1982 pursuant to the Small Business Investment Incentive Act, represents a unique attempt to establish a meaningful and ongoing dialogue involving small businesspersons, federal government agencies and private sector organizations concerned with small business issues on the problems affecting the small business community. The Final Report of the first Forum, which contained 37 recommendations in the areas of tax, credit, access to financial institutions and securities, was presented to a joint Congressional small business hearing in December 1982, and is the subject of considerable legislative and regulatory activity.

Local forums will be conducted in the following cities: Washington during the week of June 6, 1983; Houston during the week of June 13, 1983; St. Louis during the week of June 30, 1983; San Francisco during the week of June 27, 1983; and Boston during the week of July 11, 1983.

A written summary or outline of the presentation will be requested five days in advance of an appearance at the forum. This summary will facilitate an informed dialogue between the Executive Committee members and those making presentations.

Persons or groups interested in participating in a local forum should contact Paul A. Belvin or H. Steven Holtzman at (202) 272-2644 or write to the following address: 1983 Small Business Forum, Office of Small Business Policy, U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Stop 3-11, Washington, DC 20549.

CIVIL PROCEEDINGS

RICHARD M. FIRESTONE, OTHERS ENJOINED

The Atlanta Regional Office announced that on April 20 the Honorable Richard C. Freeman, District Judge of the U.S. District Court for the Northern District of Georgia, Atlanta Division, entered a Final Judgment of Permanent Injunction and Other Equitable Relief against Richard M. Firestone of New York City, Milton B. Dorison of East Orange, New Jersey, and certain entities owned and controlled by Firestone and Dorison, namely, FD&S Associates, a partnership, and Amity Financial, Ecart Associates, Sigma Energy Associates, Omicron Energy Associates, Theta Energy Associates, and Lundi Associates, limited partnerships, all formed under Connecticut law (Firestone - Dorison Partnerships), having their principal place of business in New York City.

The Court permanently enjoined Firestone, Dorison and the Firestone-Dorison Partnerships from future violations of the registration and antifraud provisions of the securities laws in the offer and sale of limited partnership interests and units of working interests in limited partnerships and joint ventures formed for the purpose of mining coal in West Virginia and Kentucky (the Public Partnerships), or any other security. The complaint alleged that the defendants sold \$35 million of unregistered limited partnership interests in 50 offerings to over 1,000 investors nationwide, and made false representations or omissions concerning: coal mining projections; profits received in connection with the assignment of leases; the identity of the principal promoters; the lack of success of past mining ventures; and the authenticity and genuineness of opinion letters of geologists, engineers, and consultants. The Court also permanently enjoined Firestone, Dorison, and Amity from future violations of Section 13(d)(1) and 13(d)(2) of the Securities Exchange Act of 1934 and Rules 13d-1 and 13d-2 thereunder. Finally, the Court further permanently enjoined Firestone and Dorison from, directly or indirectly, being or becoming associated with any broker, dealer, or investment adviser. The defendants consented to the entry of the permanent injunctions, without admitting or denying the allegations in the Commission's complaint. (SEC v. Richard M. Firestone, et al., Civil Action No. C83-758A, N.D. Ga., filed April 19, 1983). (LR-9977)

CRIMINAL PROCEEDINGS

GUILTY VERDICT RETURNED AGAINST RICHARD FIRESTONE, OTHERS

The Atlanta Regional Office and the District Attorney of the County of New York announced that on April 19 a New York County jury returned a verdict of guilty against Richard Firestone and Peter Gettinger, an attorney, both of New York City, and Milton Dorison, of East Orange, New Jersey, on all 25 counts of an indictment charging them with conspiracy, securities fraud, scheme to defraud (fraud), state tax fraud, and grand larceny. The jury also returned a verdict of guilty against Raymond Mirrer, a New York City attorney, on one count each of conspiracy and securities fraud, and on ten counts of state tax fraud; and acquitted him on charges of grand larceny and fraud. The jury also convicted Herman Friedman of New York City on 15 counts, including conspiracy, securities fraud, and fraud; he was acquitted of grand larceny charges. Finally, the jury returned a guilty verdict against Albert Wahl on one count of securities fraud, but acquitted him on all other charges.

The indictment which had been returned by a New York County grand jury in February, 1982 charged all the defendants with 25 counts of criminal violations. The violations were alleged to have occurred in connection with the offer and sale of units of limited partnership interests in 16 coal tax sheltered limited partnerships sold during the period from on or about June 1, 1979 to on or about July 18, 1980, which raised \$8.8 million in cash and \$31 million in promissory notes.

Sentencing has been set for June 3, 1983. (The People of the State of New York v. Richard Firestone, et al., Indictment No. 116/82, County of New York, Jury Verdict April 19, 1983). (LR-9978)
