ADMINISTRATIVE PROCEEDINGS

PUBLIC ADMINISTRATIVE PROCEEDINGS INSTITUTED AGAINST BRUCE PAUL

The Commission instituted public administrative proceedings under the Securities Exchange Act of 1934 against Bruce Paul, employed by and associated with a registered broker-dealer as a registered representative.

The Order for Proceedings alleges that within the past ten years Paul was convicted upon his plea of guilty to two counts of an indictment in the U.S. District Court for the Southern District of New York, which involve the taking of a false oath, making a false report, and perjury. This subjects him to remedial sanctions under Section 15(b)(6) of the Exchange Act.

A hearing will be scheduled to take evidence on the allegations against Paul. The purpose of the hearing is to determine whether or not the allegations against Paul are true, and if so, what, if any, remedial action is necessary in the public interest. (Rel. 34-20356)

CIVIL PROCEEDINGS

INTERSCIENCE SYSTEMS, INC., OTHERS ENJOINED

The Commission announced that the U.S. District Court for the District of Columbia entered Final Judgments of Permanent Injunction against the following companies on the specified dates. The Judgments restrain and enjoin them from failing to file

and file timely periodic reports and Notifications of Late Filing and ordered them to comply with the reporting provisions of the securities laws.

The Commission's complaints allege that the companies, as part of a continuing course of conduct extending over several years, failed to file and file timely certain annual and quarterly reports and Notifications of Late Filing required to have been filed. The companies consented to entry of the Court's Judgment, admitting that they failed to file the specified reports: November 15 - Interscience Systems, Inc. and Summit Systems, Inc., Canoga Park, California - two annual reports, three quarterly reports, one current report, and five required Notifications of Late Filing. (SEC v. Interscience Systems, Inc., et al., USDC DC, Civil Action No. 83-2765). (LR-10224); November 21 - Delta Petroleum and Energy Corporation, Fort Worth, Texas - one annual report, one quarterly report, and four Notifications of Late Filing. (SEC v. Delta Petroleum Corporation, USDC DC, Civil Action No. 83-2915). (LR-10225); and November 28 - Agoil, Inc., Portland, Oregon - one annual report, two quarterly reports and eight Notifications of Late Filing. (SEC v. Agoil, Inc., USDC DC, Civil Action No. 83-2414). (LR-10226)

THREE SANTA FE DEFENDANTS ENJOINED, DISGORGEMENT ORDERED

On November 30, as part of a settlement of a civil action filed September 28, 1982, in which the Commission's complaint alleged violations of the antifraud provisions of the Securities Exchange Act of 1934, Ronald A. Feole, general counsel to a subsidiary of Santa Fe International, Tim Snitko, a friend of Feole's, and Mitchell Snitko, Tim Snitko's father, consented to injunctions prohibiting further violations and to orders directing disgorgement of over \$400,000 in profits derived from transactions in Santa Fe securities. According to the complaint, the transactions had been made on the basis of material, non-public information concerning the impending acquisition of Santa Fe by the Kuwait Petroleum Company, which Feole obtained as a result of his relationship to Santa Fe and provided to the Snitkos. An escrow agent has been appointed to manage disbursement of the disgorged funds to injured investors. (SEC v. Ronald A. Feole, et al., Civil Action No. 82-5018-LEW (Bx), C.D. Cal., filed September 28, 1982). (LR-10215, LR-10216)

CRIMINAL PROCEEDINGS

MULTI-MANAGEMENT INC. DEFENDANTS CONVICTED

Byron H. "Pete" Dunbar, U.S. Attorney for Montana, and the Seattle Regional Office announced that on November 11 a jury found Multi-Management, Inc. of Great Falls, Montana, and Warren D. Hill of Billings, Montana, guilty of conspiracy and wire fraud charges. Another defendant, Robert Monfarton of Bozeman, Montana, was found guilty of the conspiracy count and innocent of the wire fraud count. Eugene Smith of Spokane, Washington previously entered a no contest plea to the charges, and Karl Herrman, Jr. has avoided prosecution by remaining in England since the indictment was returned.

The case arose from efforts of Multi-Management and the individual defendants to raise money to fund the purchase of several wheat ranches and to build a wheat processing plant in Great Falls.

U.S. District Judge Paul G. Hatfield set sentencing for December 13, 1983. (U.S. v. Multi-Management, Inc., et al., USDC, Montana, Great Falls Division, No. CR-83-42-GF). (LR-10220)

STEVEN A. KUNA, JR. INDICTED

The Chicago Regional Office and the U.S. Attorney for the Northern District of Illinois announced that on November 22 a federal grand jury in Chicago, Illinois indicted Steven A. Kuna, Jr. on ten counts of mail fraud, four counts of securities fraud, and one count of making a false statement to a federal agency. The indictment charges that Kuna used his position as managing general partner of Steve Kuna and Associates, a limited partnership formerly engaged in business on the Chicago Board Options Exchange as a market maker, to defraud the other partners by converting partnership assets to his own use, by using assets to finance personal investments, and by concealing the financial condition of the partnership from the other partners.

In an earlier administrative proceeding, Kuna consented, without admitting or denying the allegations in the Commission's Order for Public Proceedings, to the revocation of his registration as a broker-dealer, and to a bar of his association with any

broker, dealer, municipal securities dealer, investment company, or investment adviser, provided that after five years he may apply to become re-associated in a supervised capacity. (U.S. v. Steven A. Kuna, Jr., No. 83-CR 921, ND IL, filed November 22, 1983). (LR-10221)
