COMMISSION ANNOUNCEMENTS

BROKER-DEALER MODEL COMPLIANCE PROGRAM ADVISORY COMMITTEE TO MEET. The Commission's Advisory Committee on a Model Compliance Program for Broker-Dealers, established on October 24, 1972 (Rel. 34-9835), will hold meetings on April 16-17, 1973 at the New York Stock Exchange, Inc., 55 Water St., New York, N. Y., Room A 23rd Floor. These meetings will commence at 9:00 a.m. local time.

This Advisory Committee was formed to assist the Commission in developing a model compliance program to serve as an industry guide for the broker-dealer community. Assisted by this Committee's work the Commission plans to publish a guide to broker-dealer compliance under the securities acts in order to advise broker-dealers of the standards to which they should adhere if investor confidence in the fairness of the market place is to be warranted and sustained. The Committee's recommendations are not intended to result in the expansion of Commission rules governing broker-dealers, but to inform broker-dealers as to the existing requirements and how they may comply with them.

The Committee's scheduled meetings will be for the purpose of reviewing drafts and proposals concerning the Committee's proposed report to the Commission on these compliance guidelines for broker-dealers.

These meetings are open to the public. Any interested person may attend and appear before or file statements with the Advisory Committee -- which statements, if in written form, may be filed before or after the meeting or, if oral, at the time and in the manner and extent permitted by the Advisory Committee.
