INVESTMENT COMPANY ACT RELEASES

CDC IXIS ASSET MANAGEMENT ADVISERS, L.P., ET AL.

A notice has been issued giving interested persons until August 6, 2001, to request a hearing on an application filed by CDC IXIS Asset Management Advisers, L.P., et al. for an order that would grant relief from Sections 10(f), 12(d)(3), 17(a), and 17(e) of the Investment Company Act and from Rule 17e-1 under the Act. The order would permit certain registered open-end management investment companies advised by several investment advisers to engage in principal and brokerage transactions with a broker-dealer affiliated with one of the investment advisers and to purchase securities in certain underwritings. The transactions would be between the broker-dealer and a portion of the investment company's portfolio not advised by the adviser affiliated with that broker-dealer. The order also would permit these investment companies not to aggregate certain purchases from an underwriting syndicate in which an affiliated person of one of the investment advisers is a principal underwriter. Further, applicants request relief to permit a portion of an investment company's portfolio to purchase securities issued by a broker-dealer, which is an affiliated person of an investment adviser to another portion, subject to the limits in Rule 12d3-1 under the Act. (Rel. IC-25061 - July 12)

The order would permit (1) certain registered investment companies to pay an affiliated lending agent a fee based on a share of the revenue derived from securities lending activities; (2) the registered investment companies and certain affiliated institutional accounts to use cash collateral from securities lending transactions and/or uninvested cash to purchase shares of affiliated money market funds or affiliated private investment companies; (3) the registered investment companies to lend portfolio securities to affiliated broker-dealers; and (4) the registered investment companies to engage in certain purchase and sale transactions with each other.
