ADMINISTRATIVE PROCEEDINGS

U.S. SECURITIES
EXCHANGE COMMISSION

NASD ACTION AGAINST PETER LLOYD AFFIRMED

The Commission has affirmed NASD disciplinary action against Peter K. Lloyd of Odessa, Florida, a former registered representative of an NASD member firm. The NASD censured Lloyd, fined him \$10,000, suspended him from association with any member for 20 days and barred him from any such association in a principal or supervisory capacity.

The Commission found, as had the NASD, that in 1988 Lloyd made an unsuitable recommendation to a customer and failed to give his employer the required prior written notification of the resulting sale, a private securities transaction. While the Commission concluded that the sanctions assessed by the NASD were fully warranted, it stated that in light of various mitigative factors it would be appropriate for the NASD to grant an application by Lloyd for employment in a principal or supervisory capacity provided that, in accordance with his stated intention, he repaid his customer in full with appropriate interest and there was no new information relating to him or his prospective employer that reflected adversely on his ability to function in those capacities in a manner consonant with the public interest. (Rel. 34- 31625)
