II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the pilot program that offers liquidity takers a reduced transaction fee structure for certain bond trades executed on NYSE Bonds. The pilot program would thus end on December 31, 2008.

The Exchange's pilot program reduces transaction fees charged to liquidity takers for transactions executed on NYSE Bonds with a staggered transaction fee schedule based on the number of bonds purchased or sold in excess of ten bonds. Currently, the transaction fee for orders that take liquidity from the market is \$0.50 per bond. This fee remains unchanged for orders up to ten bonds. The extended fee filing pilot program provides for the following transaction fee schedule: (1) when the liquidity taker purchases or sells between one and ten bonds, the Exchange will charge an execution fee of \$0.50 per bond; (2) when the liquidity taker purchases or sells between 11 and 25 bonds, the Exchange will charge an execution fee of \$0.20 per bond; and (3) when the liquidity taker purchases or sells 26 bonds or more, the Exchange will charge an execution fee of \$0.10 per bond.

For example, if a liquidity taker purchases or sells five bonds, the Exchange will charge \$0.50 per bond, or a total \$2.50 execution fee. If a liquidity taker purchases or sells 20 bonds,

the Exchange will charge \$0.20 per bond or a total \$4.00 execution fee. If a liquidity taker purchases or sells 30 bonds, the Exchange will charge \$0.10 per bond or a total \$3.00 execution fee.

The Exchange will impose a \$100 fee cap per transaction.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act⁵ in general and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4 thereunder.⁸ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it

appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
