NOTICE OF COMMISSION MEETINGS

Following is a schedule of Commission meetings which will be conducted under provisions of the Government in the Sunshine Act. In general, the Commission expects to follow a schedule of holding closed meetings on Tuesdays, and open meetings on Thursday morning. Meetings on Wednesday, and if necessary on Thursday afternoons, will be either open or closed according to the requirements of agenda items under consideration.

Visitors are welcome at all open meetings, insofar as space is available.

Meetings will be held in the Commission Meeting Room, Room 1C30, at the Commission's headquarters building, 450 Fifth Street, NW, Washington, DC. Persons wishing to photograph or videotape Commission meetings must obtain permission in advance from the Secretary of the Commission. Persons wishing to tape record a Commission meeting should notify the Secretary's office 48 hours in advance of the meeting.

OPEN MEETING - Wednesday, June 28, 1989 - 1:00 p.m.

The subject matter of the June 28 open meeting will be:

(1) Consideration of whether to adopt Rules 61-68 under the Rules of Practice regarding the payment of bounties in connection with insider trading litigation as authorized by Section 21A(e) of the Securities Exchange Act of 1934. For further information, please contact Kenneth Hall at (202) 272-2533.

(2) Consideration of whether to adopt Rule 15c2-12, which would require underwriters of municipal securities to obtain, review, and disseminate an official statement concerning the municipal securities they underwrite, and to modify the list of factors included in the Commission's interpretation of the responsibilities of underwriters of municipal securities that was published in Securities Exchange Act Rel. 34-26100 (Sept. 22, 1988, 53 FR 37778 (1988)). The Commission will also consider whether to issue a release delegating authority to the Division of Market Regulation to grant exemptions from the rule. For further information, please contact Edward L. Pittman at (202) 272-2848.

(3) Consideration of whether to adopt Rule 15a-6, which would provide exemptions from broker-dealer registration for foreign broker-dealers engaged in specified activities involving the U.S. securities markets and certain institutional investors. In addition, the Commission will consider issuing a concept release that solicits comment on a conceptual approach to regulation of foreign broker-dealers that would recognize foreign regulation of broker-dealers. The Commission will also consider recommending to the U.S. Department of Treasury that consideration be given to similar regulation of foreign government securities broker-dealers. For further information, please contact John Polanin, Jr. or Dan Gray at (202) 272-2848 regarding Rule 15a-6 or the proposed concept release, respectively.

(4) Consideration of whether to publish for comment (a) proposed amendments to Form N-2, the registration for closed-end management investment companies under the Securities Act of 1933 and the Investment Company Act of 1940, that would establish a two-part format for disclosure to prospective investors and update current disclosure requirements; (b) related rule amendments; and (c) guidelines to amended Form N-2. For further information, please contact Kenneth J. Berman at (202) 272-2107.

(5) Consideration of whether to adopt Rule 11a-3 under the Investment Company Act of 1940. Rule 11a-3 would allow registered open-end investment companies ("funds") and their principal underwriters to make certain exchange offers to fund shareholders and to shareholders of other funds in the same group of funds. For further information, please contact Wendy B. Finck at (202) 272-2045.

CIVIL PROCEEDINGS

COMPLAINT NAMES GATEWAY MEDICAL SYSTEMS, INC., JAMES R. CHEEK

The Commission, on June 21, filed a complaint in the U.S. District Court for the District of Columbia against Gateway Medical Systems, Inc. and James R. Cheek, Gateway's Chairman and Chief Executive Officer, alleging violations of the antifraud provisions of the Securities Exchange Act of 1934 and violations by Gateway of Rule 12b-25. Without admitting or denying the allegations in the Complaint, the defendants have consented to the entry of Final Judgments of Permanent Injunction enjoining them from committing further violations of the federal securities laws.

The Complaint alleges that the defendants issued materially false and misleading statements projecting record earnings for Gateway's 1987 fiscal year, and that Gateway filed with the Commission a "Notification of Late Filing" on Form 12b-25, in which Gateway stated that it anticipated fiscal 1987 net earnings significantly greater than the previous year's net income.

The complaint alleges that the defendants were, at a minimum, reckless in not knowing that the income projections had no reasonable basis, and that the projections were materially false and misleading due to the defendants' failure to adequately disclose the company's severe liquidity problems. (SEC v. Gateway Medical Systems, Inc. and James R. Cheek, U.S.D.C. for the District of Columbia, CA 89-1760) (LR-12137)
