(“CHX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the CHX. A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of its trading model rule set, the Exchange included a fingerprint rule that requires the Exchange to conduct fingerprint-based background checks of Exchange staff, certain independent contractors and other persons that have regular access to the Exchange’s facilities and premises.³ The Exchange seeks to amend this rule to remove any requirement that the Exchange conduct these fingerprint-based background checks. The Exchange believes that, where appropriate, it can conduct necessary background checks of staff and consultants through more efficient means. This proposal has no impact on the fingerprinting obligations that apply to Exchange participants and participant firm personnel. The Exchange will continue to require its participants to adhere to applicable fingerprinting obligations.⁴

2. Statutory Basis

The CHX believes the proposal is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁵ The proposed rule change is consistent with Section 6(b)(5) of the Act⁶ because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest by allowing the Exchange the flexibility to conduct background checks of staff, independent

No written comments were either solicited or received.
