CIVIL PROCEEDINGS

BLAINE C. TAYLOR ENJOINED

The Denver Regional Office announced that on February 4 U.S. District Judge Richard P. Matsch of the District of Colorado issued a final judgment of permanent injunction against Blaine C. Taylor of Salt Lake City, Utah. Taylor was enjoined from violating the registration and antifraud provisions of the securities laws, and consented to the entry of the order without admitting or denying the allegations of the Commission's complaint. The Commission's motion for a preliminary injunction against D.C. Linton, the only remaining defendant in SEC v. Alpha Energy & Gold, is still pending. (SEC v. Alpha Energy & Gold, et al., U.S.D.C. Colo., Civil Action No. 81-M-2039). (LR-9590)

CRIMINAL PROCEEDINGS

POLISKIN, ZUKOR, OTHERS CHARGED WITH WESTAMERICA FRAUDULENT SALES

The Los Angeles Regional Office announced that on January 27 a Federal Grand Jury in Los Angeles returned a 30-count indictment of Arnold Poliskin of Malibu, California, Jerold Zukor of Beverly Hills, California, and James Morse of New York, New York. The defendants were charged with mail fraud and securities fraud and conspiracy to violate those statutes in connection with the offer and sale of stock of Westamerica Automotive Corporation.

The indictment alleges, among other things, that since at least April 1976 and continuing until at least January 1978, the defendants directly and indirectly, in various capacities: (1) caused a small privately held automotive filter manufacturer, Trio Enterprises, to be merged into an inactive publicly held shell corporation, Precisioncraft Electronics; (2) acquired nearly all of the outstanding stock of Precisioncraft and changed its name to Westamerica Automotive Corporation; (3) stimulated interest in Westamerica stock in the over-the-counter market by disseminating falsely optimistic reports and by secretly paying brokers to trade the stock; (4) made filings of various false and misleading reports with the California Department of Corporations and the Commission; (5) sold Westamerica stock into the market through a large number of nominee accounts for the benefit of the defendants; and (6) executed buy orders for Westamerica stock in order to falsely create the appearance of activity and to falsely maintain the price of Westamerica stock.

It was also announced that, in a companion action, a criminal information was filed by the United States Attorney on January 27 charging Saul Ring, a securities sales representative, with a willful violation of Rule 10b-6 promulgated under the Securities Exchange Act of 1934, in connection with his inducing the purchase of Westamerica stock while participating in a distribution of that stock. (U.S. v. Arnold Poliskin, Jerold Zukor and James Morse, C.D. Cal., CR-82-83) and (U.S. v. Saul Ring, C.D. Cal., CR-82-84). (LR-9586)

GERHART A. STEFFEN AND JOHN E. ERICKSON SENTENCED FOR FRAUDULENT TRUCK PARTNERSHIP SALES

The Los Angeles Regional Office announced that on January 19 Gerhart A. Steffen and John E. Erickson were sentenced following their earlier pleas of guilty to a one-count criminal information filed on November 24, 1981, charging them with violating the antifraud provisions of Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder. The Honorable Mariana R. Phaelzer, Judge, U.S. District Court, suspended the imposition of sentence, and placed each defendant on probation for two years, with the condition that each perform 200 hours of community service during that time period as approved by the Probation Officer.

The information alleged that the defendants committed the violations in December 1976, by selling to investors interests in limited partnerships, ostensibly established to purchase and operate trucks while falsely representing that funds received from the investors were being used to purchase insurance for the trucks and omitting to disclose that those funds were being used instead to pay commissions to salesmen employed by the defendants.

In a companion action, John W. Duffell, III was indicted on December 9, 1981, by a Federal Grand Jury in Los Angeles. The 41-count indictment charged Duffell with mail and wire fraud, interstate transportation of funds obtained by fraud, fraud in the sale of securities, and aiding and assisting in the preparation of false income tax returns.

These actions are based in material part on facts underlying a civil injunctive action filed by the Commission against five individuals, including the three named above, and six corporations on December 18, 1978, in the U.S. District Court in Los Angeles. That civil action is completed. (U.S. v. Gerhart A. Steffen and John E. Erickson, C.D. Cal., CR-81-1045MRP). (LR-9587)
