SECURITIES EXCHANGE ACT OF 1934
Release No. 58525 / September 11, 2008

Administrative Proceeding File No. 3-13184

In the Matter of California Service Stations, Inc., Cozumel Corp., Jenson International, Inc., Meditecnic, Inc., and Space Launches Financing, Inc.

The U.S. Securities and Exchange Commission today instituted public administrative proceedings against the following five companies to determine whether the registration of each class of their securities should be revoked or suspended for a period not exceeding twelve months for failure to file required periodic reports:

- California Service Stations, Inc.
- Cozumel Corp.
- Jenson International, Inc.
- Meditecnic, Inc.
- Space Launches Financing, Inc.

In this Order, the Division of Enforcement (Division) alleges that the five issuers are delinquent in their required periodic filings with the Commission.

In these proceedings, instituted pursuant to Securities Exchange Act of 1934 (Exchange Act) Section 12(j), a hearing will be scheduled before an Administrative Law Judge. At the hearing, the judge will hear evidence from the Division and the respondents to determine whether the allegations of the Division contained in the Order, which the Division alleges constitute failures to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder, are true. The judge in the proceeding will then determine whether the registrations pursuant to Exchange Act Section 12 of the securities of these respondents should be revoked or suspended for a period not exceeding twelve months. The Commission ordered that the Administrative Law Judge in these proceedings issue an initial decision not later than 120 days from the date of service of the order instituting proceedings.
