## COMMISSION ANNOUNCEMENTS

---

### MICHAEL WALINSKAS NAMED ASSOCIATE DIRECTOR OF THE DIVISION OF MARKET REGULATION

Chairman Levitt announced today that Michael A. Walinskas has been named Associate Director for the Office of Market Supervision in the Commission's Division of Market Regulation. He was most recently Deputy Associate Director in the same office.

Mr. Walinskas has held various positions in the Division of Market Regulation over a period of eight years. In his positions as Deputy Associate Director, Senior Special Counsel, and Options Branch Chief, he has played a key role in developing the Commission's positions on many important equity and derivatives market issues. Some of these projects included updating the Commission's regulation of national securities exchanges and alternative trading systems.

Chairman Levitt said of Mr. Walinskas' promotion, "Mike is a hard working, creative, even-handed regulator whose judgment and abilities have proven invaluable during a time when the Commission has been extremely active in bringing about many important reforms to the U.S. securities markets. His advice has been key to the success of many of these reforms and I know he will be a success in his new position."

Mr. Walinskas graduated with a J.D. from Georgetown University Law Center, and a B.A. from the University of Maryland. He is a member of the Maryland bar. (Press Rel. 99-46)

## ENFORCEMENT PROCEEDINGS

---

### CONNECTICUT MAN SANCTIONED IN PRIME BANK SCHEME

Joseph F. Reese of Derby, Connecticut, has been ordered to cease and desist from violations of the antifraud provisions of the federal securities laws.

The sanctions were imposed after a hearing before an administrative law judge. The law judge found that Reese contacted the Office of

the Treasurer of the State of Connecticut several times between September 1995 and January 1996 to offer a "prime bank" investment. He advised State officials that the investment offered enormous returns, with no risk, under secret conditions. The Treasurer declined Reese's proposal and reported it to the U.S. Securities and Exchange Commission and other government agencies. "Prime bank" schemes exist only as fraud.

The law judge concluded that Reese's proposal violated the antifraud provisions of the securities laws and ordered him to cease and desist from such violations. (Initial Decision No. 142; File No. 3-9439)
