4 SCHWEIHS Oh, one other thing, son. I took the 11  
5 hundred out of my pocket and paid 'em.  
6 'Cause there was a little beef over  
7 that. Told you January, February,  
8 March, right? He says, no, no, he owes  
9 for April, so I, I gave 'em the 11  
10 hundred. They said you never, they  
11 never let you go a month in the rear.  
12 It's always (UI) pay and that's for the  
13 fuckin'--how he explained it to me--how  
14 Louie had it set up.  
15  
16 CROSS Whatever. We'll straighten it out (UI).  
17  
18 SCHWEIHS You were due on the 1st of every month.  
19 I let it, I set it for the 15th, right?  
20 They said when they come to collect the  
21 money previously, the 1st of December,  
22 that was for the month of December.  
23 When they come and collected it in  
24 January, it was for the month of  
25 January.  
26  
27 WEMETTE Yeah, they put me in a head, instead  
28 of..  
29  
30 SCHWEIHS Okay, so when I come here I got it off  
31 ya-it was supposed to been four month's  
32 pickup. January, February, and March,  
33 right? So they said, nah, nah. So, I  
34 just said, here.  
35  
36 WEMETTE I thought they weren't gonna do that no  
37 more.  
38  
39 SCHWEIHS I said, here. Well, I don't make the

rules and regulations.

CROSS

Whatever.

SCHWEIHS

With their bookkeeping or whatever.  
What the--fuck. So I said, instead of  
givin' 'em 33, I said, here's 43. Now  
he ain't due until the--May the 15th.  
You understand. I said, I took it upon  
my own to say May the fif-I said, you  
can't, the guy said he can't have it on  
the 1st, then don't pressure the man.  
It's the 15th of the month. See, I  
haven't sat down with nobody. I've been  
gone for three months, too. You knew--I  
said and don't go near this fuckin' guy  
and don't send no one fuckin' by him.  
That's it. I said, if I'm not here for  
five months, you're gonna wait for five  
months until I come back to get the  
fuckin' money. I don't want no one  
going near him. So I just give 'em 44  
instead of 33, that was for...

WEMETTE

So, we're (UI).

SCHWEIHS

Another words, when I went in with it, I  
paid you from April to May the 15th. So  
you didn't pay...

WEMETTE

So I owe you.

SCHWEIHS

You owe me 11 hundred.
