Friday Dec 11

Tom here are the two sets of headphones that I have copied. "A" is the set I currently have and "H" is the newest set we are selling. Please note that there are many different kinds of sets floating around the compound. Whatever set works best for you is fine with me.

I have thought of a good way to make him say ok but I need to do it ASAP because he wants to have this long talk and walk with me. He keeps saying "Let's walk I need to talk to you"

Also as soon as this is done I need to be transferred ASAP to M.C.C.

And then I will also do my uncke if you can put us together.

Also I thought about it and if possible I would like to go to Oxford Camp for the remainder of my stay if this "headphone thing" is successful.
