

Mr Tom B.

Dec 16, 98

I am writing this letter to let you know that I had a talk with my father. I kept that talk short for the sole purpose of being able to have a long indepth talk with him. He agreed that we should talk and hold nothing back. I told him that I want to talk about everything.

I need to do this A. S. M. P. U because he is really starting to push to have this talk and I want to wait for you. "Please Hurry". I told you about the headphones but I think the Jacht would be just as good. Also Mon, Tues, Thues, Fri's, I could walk in the inside yard with him after dinner would also be good. IT is going to be only one conversation but I know I can get the important stuff.
