RE: CPF No. 5-2002-5018M

Dear Mr. Edwards:

On July 8, 2003, an Order Directing Amendment was issued to BP Pipelines North America, Inc. by the Associate Administrator for the Office of Pipeline Safety. It made a finding of inadequate procedures and required amendment of BP Pipelines North America, Inc.'s integrity management program procedures.

The amendment of your procedures required by the Order Directing Amendment has been made. Based on the recommendation of the Director, Western Region, this case is now closed and no further enforcement action is contemplated with respect to the matters involved in the case. Thank you for your cooperation in our joint effort to ensure pipeline safety.

Sincerely,

James Reynolds
