

Keith Holmberg
VP of Financial Control Processes
BP p.l.c.

Keith is the VP of Financial Control Processes for BP p.l.c. In this role he is, amongst other things, responsible for ensuring BP's global compliance with its internal control accountabilities. Prior to this role, he was the CFO for BP's petrochemical business. Keith has also held previous positions in the areas of business unit management, finance, acquisitions, divestments, and business development and strategy.
