**Indicator: The Department's Ability to Respond to Terrorist Incidents and Exercise Its Lead Agency Responsibilities with the Foreign Emergency Support Team (FEST)**

<b>Indicator Type</b>	Input
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

**I/P: Terrorist Financing Assistance Initiative**

**Indicator: Number of Financial Action Task Force (FATF) Members Evaluated; if Approved, Number of Evaluations Successfully Conducted by the USG on Behalf of FATF**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

## Strategic Goal 2: Counterterrorism (continued)

### I/P: Top Officials Exercise (TOPOFF)

#### Indicator: The Department's Ability to Provide the International Component to the DHS Top Officials National Exercise Plan

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Does not directly measure expected result.

### I/P: Bioterrorism Response

#### Indicator: Status of the Global Health Security Action Group (GHSAG)

<b>Indicator Type</b>	Input
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Does not directly measure expected result.

### I/P: Diminish Potential Underlying Conditions of Terrorism in Iraq

#### Indicator: Level of Economic Aid to Iraq

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result.

#### Indicator: Progress of Alternative Education System Establishment in Iraq

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	USAID is no longer implementing education programs in Iraq.

#### Indicator: Progress of Economic Opportunity in Iraq

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	The indicator "Progress of Economic Opportunity in Iraq" does not measure its intended result and thus does not provide an accurate representation of USAID's economic development programs.

<b>Strategic Goal 2: Counterterrorism (continued)</b>	
<b>I/P: Diminish Potential Underlying Conditions of Terrorism in Iraq (continued)</b>	
 <p style="text-align: center;"><b>Indicator: Progress of Local Governance Establishment in Iraq</b></p>

<b>I/P: Diminish Conditions Exploited by Terrorist Recruitment in Other Frontline States</b>	
 <p style="text-align: center;"><b>Indicator: Extent of Support for Alternative Education Systems</b></p>	
<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result. Issue covered by another indicator.
 <p style="text-align: center;"><b>Indicator: Progress of Civilian Livelihood Opportunities Expansion</b></p>	
<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result.
<b>I/P: Diminish Conditions Exploited for Terrorist Sanctuary in Other Frontline States</b>	
 <p style="text-align: center;"><b>Indicator: Progress of Stable and Moderate Governments Establishment</b></p>	
<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result.

## Strategic Goal 3: International Crime and Drugs

### I/P: Andean Counterdrug Initiative

#### Indicator: Cost Per Hectare Sprayed

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

#### Indicator: Foreign Cultivation of Coca in Hectares

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Issue covered by another indicator.

### I/P: International Law Enforcement

#### Indicator: Status of UN Convention Against Corruption

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	The data set that we rely on for the measure comes from the Defense Intelligence Agency's (DIA) Interagency Assessment of Cocaine Movement (IACM). Over the past several years, DIA has been increasingly concerned about the validity of its estimate for cocaine entering the U.S. arrival zone, and since 2005 DIA has decided not to publish an official estimate but to give an increasingly widening range that undermines the indicator's usefulness as a performance measure (for 2005 the range is between 397 MT and 964 MT).

#### Indicator: Status of Regional Anticorruption Initiatives

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

#### Indicator: Status of Financial Action Task Force on Money Laundering (FATF) List of Non-Cooperative Countries and Territories (NCCT)

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

**Strategic Goal 3: International Crime and Drugs (continued)**

**I/P: Combating Environmental Crime**

**Indicator: Capacity for Good Environmental Governance in Key Developing Countries**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result.

**I/P: International Narcotics and Law Enforcement in the Western Hemisphere (PART Program)**

**Indicator: Seizures Per Program Cost; Cash Value of Illicit Drugs Seized Over International Network on Environmental Compliance and Enforcement Funds Expended**

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

**Indicator: Reduce the Flow of Illicit Drugs into the U.S. Arrival Zone by Improving International Law Enforcement Capabilities**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	The data set that we rely on for the measure comes from the Department of Defense's Interagency Assessment of Cocaine Movement (IACM). Since 2005, Defense has decided not to publish an official estimate but to give an increasingly widening range that undermines the indicator's usefulness as a performance measure (for 2005 the range is between 397 MT and 964 MT).

## Strategic Goal 4: Democracy and Human Rights

### I/P: Engagement to Advance Democracy

#### Indicator: Strength of Local Governance

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result. Does not provide context for result.

<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Does not directly measure expected result. Issue covered by another indicator.

### I/P: Reform of Democratic Systems and Practices in Europe and Eurasia

#### Indicator: Monitoring Country Progress Democracy Index

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result. Does not provide context for result. Issue covered by another indicator.

**Strategic Goal 4: Democracy and Human Rights (continued)**

**I/P: Human Rights & Democracy Fund (HRDF)**

**Indicator: Percentage of HRDF-funded Countries Which Show a Positive Change (Decrease on the Scale) on Their Freedom House (FH) Freedom in the World Score**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

**Indicator: Operating Costs Divided By the Number of Projects Managed**

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

**I/P: Support for East European Democracy (SEED) / Freedom Support Act (FSA)**

**Indicator: ACE Administrative Costs as a Percent of All Assistance Coordinated by ACE**

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

**I/P: Economic Support Fund (ESF) – Western Hemisphere Affairs**

**Indicator: Corruption Perceptions Index for ESF Recipients in WHA**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

**Indicator: Ratio of Administrative Costs to Program Funding**

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

## Strategic Goal 4: Democracy and Human Rights (continued)

### I/P: Bilateral and Multilateral Diplomacy

#### Indicator: Number of UNCHR States With Negative Human Rights Records

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

### I/P: Labor Diplomacy and Advocacy for Workers' Rights

#### Indicator: Number of Public-Private Partnerships to Advance Respect for Human Rights

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

## Strategic Goal 5: Economic Prosperity and Security

### I/P: Growth and Development Strategies

#### Indicator: Monitoring Country Progress Index for Economic Reform

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

### I/P: Science-Based Decision-Making and Standards Development

#### Indicator: Effectiveness of Contacts Between Science and Technology (S&T) Communities and Policymakers

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

### I/P: United Nations Development Program (UNDP)

#### Indicator: Operational Support Costs as a Percentage of Total Costs

<b>Indicator Type</b>	Efficiency
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Reported in separate Department of State Efficiency Measures Appendix.

## Strategic Goal 5: Economic Prosperity and Security (continued)

### I/P: Create Open and Dynamic World, Regional and National Markets

#### Indicator: Non-Oil Exports from USAID-Assisted Countries

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	USAID's Economic Growth Agriculture and Trade Bureau (EGAT) is unable to verify the FY 2006 results.

#### Indicator: Number of Market Opening Transportation Agreements in Place

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

#### Indicator: Number of Countries with Laws and Regulations Inconsistent with the WTO Trade-Related Aspects of Intellectual Property Rights (TRIPs) Agreement

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

#### Indicator: Adoption of U.S. Telecom, Information Technology (IT), and Radio Communication Proposals/Positions and Standards/Recommendations Favorable to U.S. Businesses in International Telecommunications Agreements and Declarations

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

### I/P: Integrating Environmental Protection and Trade

#### Indicator: Progress of Establishment of Trade Agreements and Environmental Cooperation Mechanisms That Enhance International Protection and Preservation of the Environment While Avoiding Disguised Barriers to Trade

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Issue covered by another indicator.

**Strategic Goal 5: Economic Prosperity and Security (continued)**

**I/P: Genetic Resources Initiative**

**Indicator: Extent to Which International Environmental Regulations Concerning Agricultural, Medicinal, and Other Biotechnology Products Do Not Create Unreasonable Restrictions to Markets**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Does not directly measure expected result. Issue covered by another indicator.

**I/P: Secure Energy Supplies**

**Indicator: Level of Support for Energy Sector Policy Reform**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Does not directly measure expected result.

**Indicator: Number of People and Number/Percent of Partner Institutions That Received Training and Technical Support**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result.

**Indicator: Number of Institutions Reconstructed and Rehabilitated (Homes, Water/Sanitation Facilities, Schools, Markets, etc.)**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	The data for the number of institutions reconstructed and rehabilitated have not been reported by the USAID missions in a consistent, verifiable manner. As a result, USAID is unable to accurately measure the FY 2006 results, impact, "reason for shortfall" and "steps to improve" for this indicator.

## Strategic Goal 8: Management and Organizational Excellence

### I/P: Operational Readiness

**Indicator: Status of Operational Readiness - Development of Active & Reserve Response Corps**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Does not directly measure expected result. Does not provide context for result. Indicator not well defined.

**Indicator: Average Number of Work Days Between Announcement Close and Offer (PART Program: USAID Operating Expenses)**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

**Strategic Goal 8: Management and Organizational Excellence (continued)**

**I/P: Locally Engaged Staff**

**Indicator: Percent of Family Members Employed Overseas**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

**I/P: Leverage Technology**

**Indicator: Technology-Based Distance Learning (DL) Enrollments**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

**I/P: Overseas Schools**

**Indicator: Number of Advanced Placement Exams Taken by Students in Department-Assisted Schools**

<b>Indicator Type</b>	Output
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public. Indicator not used.

**I/P: Secure Global Network and Infrastructure**

**Indicator: Level of Global Network Availability**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Data for this indicator is consolidated under the indicator “progress towards centralized, secure, and modern global IT infrastructure.”

**Indicator: Status of Implementation of Information Security Program With the Resources and in the Time Periods Required by the Federal Information Security Management Act (FISMA)**

<b>Indicator Type</b>	Outcome
<b>Revised</b>	Indicator Removed
<b>Justification</b>	Appropriate for internal management purposes only. Not reported to the general public.

---

We offer special thanks to the IBM Financial Statements Preparation Team led by Richard Bachman.

We would like to thank The DesignPond, especially Sheri Beauregard and Michael James, for their outstanding contributions to the design of the Report. With the exception of design support, this document was prepared solely by federal employees.

We would also like to acknowledge the USAID Office of the Inspector General for the professional manner in which they conducted the audit of the FY 2006 Financial Statements and Performance Results, especially Andrew Katsaros, Jacqueline Bell, and the Financial and Performance Audit Divisions.

We welcome your comments on how we can improve USAID's Performance and Accountability Report. Please provide comments to:

The Office of the Chief Financial Officer at (202) 712-1980, or by email at [usaipar@usaid.gov](mailto:usaipar@usaid.gov).
