

SELECTED RESOURCE MATERIAL CONCERNING CHILDREN AND FAMILIES AFFECTED BY HIV/AIDS

John Williamson
Senior Technical Advisor
Displaced Children and Orphans Fund of USAID

December 6, 2006

This list of documents and other resource material includes items that I have identified in the course of my work. It is not based on an exhaustive search of the literature and should not be considered comprehensive. Recommendations for addition documents to include are welcome. Electronic copies can be sent to: j.williamson@mindspring.com and paper copies can be mailed to the Displaced Children and Orphans Fund, North Tower, 1300 Pennsylvania Avenue, N.W. Suite 700, Washington, D.C. 20004.

Reviews of the Literature and Bibliographies

Birdthistle, Isolde, *Understanding the Needs of Orphans and Other Children Affected by HIV and AIDS in Africa: State of the Science*, working draft, April 2004, prepared by the Support for Analysis and Research in Africa (SARA) project, which is operated by the Academy for Educational Development for United States Agency for International Development, Washington, D.C., 42 pages.

Foster, Geoff and John Williamson, "A Review of Current Literature on the Impact of HIV/AIDS on Children in Sub-Saharan Africa," *AIDS* 2000, 14 (supplement 3):S275-S284.

Richter, Linda, Julie Manegold and Riashnee Pather, *Family and Community Interventions for Children Affected by AIDS*, compiled for the Social Aspects of HIV/AIDS and Health Research Programme by the Child, Youth and Family Development Research Programme of the Human Sciences Research Council, Published by Human Sciences Research Council Publishers, Cape Town, South Africa, 2004, 182 pages. <http://www.hsrepublishers.ac.za/>

HIV/AIDS Bibliography: An Annotated Review of Research on HIV/AIDS in Zambia, UNICEF and National AIDS/STD/TB and Leprosy Programme, 1996, (includes 10 listings on orphans, most unpublished)

Strebel, Anna, "The Development, Implementation and Evaluation of Interventions for the Care of Orphans and Vulnerable Children in Botswana, South Africa and Zimbabwe: A Literature Review of Evidence-based Interventions for Home-based Child-centred Development," Social Aspects of HIV/AIDS and Health Research Programme, Occasional Paper 1, Human Sciences Research Council Publishers, Cape Town, South Africa, 2004, 28 pages.
(As of May 16, 2004, available for download at: <http://www.hsrepublishers.ac.za>)

General Material on AIDS-affected Children and Families

The Framework for the Protection, Care and Support of Orphans and Vulnerable Children Living in a World with HIV and AIDS, July 2004, 39 pages. [While prepared by UNICEF, this document has been developed based on extensive global consultative process and reflects a broad, international consensus on the action needed to address the needs and rights of orphans and vulnerable children. By July 2004, endorsed by 23 organizations. As of August 2005, it is available in English at: http://www.unicef.org/aids/files/Framework_English.pdf for other languages: http://www.unicef.org/aids/index_documents.html]
