Subject: Issuance of Acquisition & Assistance Policy Directive (AAPD) 08-01, Voluntary Population

This notice announces the issuance of AAPD 08-01, which is effective as of June 12, 2008. This AAPD replaces CIB 99-06 and provides a new acquisition clause with an Alternate I for use in USAID contract awards.

GUIDANCE FOR ASSISTANCE AWARDS: The corresponding updated Voluntary Population Planning Activities provisions for use in assistance awards were incorporated into the June 2006 revision of ADS 303. For all agreements issued prior to June 30, 2006, Agreement Officers (AOs) must incorporate the provision VOLUNTARY POPULATION PLANNING ACTIVITIES - MANDATORY REQUIREMENTS (MAY 2006) when issuing any amendments to those agreements, including amendments adding incremental funding. Note: this mandatory provision must be included in amendments of all existing awards, not just those which include family planning activities. The amendment must be bilateral to ensure that the recipient agrees to be bound by the requirements of the provision. For those assistance awards which involve any aspect of voluntary population planning activities, AOs must also incorporate the additional provision VOLUNTARY POPULATION PLANNING ACTIVITIES - SUPPLEMENTAL

REQUIREMENTS (MAY 2006) in the amendment. All previous versions of voluntary population planning provisions must be deleted from the award at that time.
