<sup>2</sup> Data not available for December 1984, 1985, 1986.

Note: In January 1990, the SGA level was raised from \$300 to \$500 and section 1619(a) participants with earnings below \$500 became eligible for regular SSI benefits rather than the special cash payments under section 1619(a). This is reflected in the decrease shown for 1990. In July 1999, the SGA level was further increased to \$700, resulting in the decrease shown for June 1999.
