MEMORANDUM

SUBJECT: Availability of FY 1999 DWSRF Funds

TO: DWSRF Regional Coordinators
Regions I - X

FROM: Connie Bosma, Chief /s/
Regulatory Implementation Branch

The FY 1999 DWSRF funding was made available in the Agency's Integrated Financial Management System (IFMS) as of October 29, 1998. This memo follows-up on the e-mail message sent on October 15, 1998 that contained an electronic copy of the FY 1999 DWSRF allotment chart. The attached final FY 1999 DWSRF State allotment chart (srf99_ap.123) has not changed from the chart sent in mid-October.

The Drinking Water State Revolving Fund Guidelines state that "increases in the ceiling of funds available in a the EPA-ACH will be made in accordance with the schedule of payments. All payments will be made by the earlier of 8 quarters from the date of a capitalization grant or 12 quarters from the date of allotment" (EPA 816-R-97-005, p. 40). This means that payments from the FY 1999 allotment must be made no later than the earlier of eight quarters after a capitalization grant is awarded or the fourth quarter of FY 2001. If you have any questions, please contact me at (202) 260-5529 or Veronica Blette at (202) 260-3980.
