MEMORANDUM

SUBJECT: Availability of FY 2000 DWSRF Funds

TO: DWSRF Regional Coordinators

Regions I - X

FROM: Connie Bosma, Chief /s/

Regulatory Implementation Branch

The FY 2000 DWSRF funding was made available in the Agency's Integrated Financial Management System (IFMS) as of October 29, 1999. This memo follows up on the e-mail message sent on October 29, 1999 that contained an electronic copy of the FY 2000 DWSRF allotment chart. The attached final FY 2000 DWSRF State allotment chart (finsrf00.wk4) has not changed from that chart.

The Drinking Water State Revolving Fund Guidelines state that "increases in the ceiling of funds available in a the EPA-ACH will be made in accordance with the schedule of payments. All payments will be made by the earlier of 8 quarters from the date of a capitalization grant or 12 quarters from the date of allotment" (EPA 816-R-97-005, p. 40). This means that payments from the FY 2000 allotment must be made no later than the earlier of eight quarters after a capitalization grant is awarded or the fourth quarter of FY 2002. If you have any questions, please contact me at (202) 260-5529 or Veronica Blette at (202) 260-3980.
